## BEAR SEZ:

"Fish is a brain food, because they travel in schools, but you don't have to eat whales."

Plenty of folks eschew meat and depend upon fish. Do you like the Genuine Codfish? We have just received the Standard brand, put up in 1 1/2 lb. boxes at Bergen, Norway. If you want something fine this will surely please you. We have also something new in pickled fish, a very choice article of Rollmops and Bismark Herring, in tomato sauce, mustard or spices. We also have Eastern Smoked Halibut, which you all know about. These smoked fish are very appetizing. Just one good thing after another at
