DRAIN ITEMS.

Interesting Items Clipped from Drain Nonpareil.

M. M. Thornton was a business visitor at Roseburg the first of the week.

Miss Mamie Wise returned to her home here Sunday after a three weeks' visit with relatives at Wells and other valley points.

H. J. and J. M. Clark, contractors and builders, for the present located at Cottage Grove, were here on business a short time Saturday.

Mr. Johnson and two sons, of Bismarck, N. Dak., arrived in town Monday morning in an auto. They left Bismarck Nov. 1 and came through without a tire puncture or any serious breakdown. They found their roughest roads in Montana.

Bert Ross and brother Harry, have returned to Canyonville after spending a week or more visiting relatives and friends in Drain and vicinity.

Mr. Ross formerly lived near Drain, but of late years has been in the sawmill business near Canyonville.

Messrs. Godding, Stanley and Overton came out from Boone, Iowa, recently to look over the Sunnydale Plantings and bought six splendid tracts. Messrs. Godding and Overton took tracts overlooking the valley, where a magnificent view is to be had.

Mr. Stanley bought on the main road. These men are successful business men and expect to make Sunnydale their future home. Scores of other very fine progressive people have bought in Sunnydale, and in a few years this will be one of the finest communities in the land.

The regular meeting of the Parent Teacher Association was held in the High School building last Friday, Dec. 5. After a short business session, the meeting was turned over to the program committee, who presented a creditable entertainment, which was thoroughly enjoyed by all. The guests were welcomed at the head of the stairway by Mrs. Mattoon, Mrs. Haworth and Mrs. Lea, members of the reception committee. Following the program, all passed into the dining room, which had been tastefully decorated for the occasion with evergreens and potted plants. The refreshments, which consisted of doughnuts and coffee, were prepared and served by the girls of the Domestic Science Department under the supervision of Mrs. Cox and Miss Athena Edwards.
