WE WANT WOOD

The News Office can use a considerable quantity of wood this winter. There are a number of subscribers living in the country surrounding Roseburg who have wood for the market. We will accept wood in payment of subscriptions and will credit the full market price of the wood on arrearages, renewals and new subscriptions. Where the amount due us is less than the cost of the wood we will pay the difference in cash. Bring in the wood before the rains come. We want the wood. You, who owe us for subscriptions, need the credit. Get busy and let us have WOOD.
