TO WHOM IT MAY CONCERN.

As I have a number of accounts standing out and past due in Douglas county, some of which might have long since been paid if parties owing same had been so disposed, though have not done so after having been often requested to do so. I propose to give this notice, that all those who do not settle in a satisfactory manner before the first of April, 1914, that I will then publish a notice giving the names and amounts due, and will on May 1, 1914, sell those accounts not settled to the highest bidder. By so doing I will benefit other dealers by giving names of parties unworthy of credit.

WE WANT ...WOOD...

The News Office can use a considerable quantity of wood this winter. There are a number of subscribers living in the country surrounding Roseburg who have wood for the market. We will accept wood in payment of subscriptions and will credit the full market price of the wood on arrears, renewals and new subscriptions. Where the amount due us is less than the cost of the wood we will pay the difference in cash. Bring in the wood before the rains come. We want the wood. You, who owe us for subscriptions, need the credit. Get busy and let us have WOOD.
