FOR COUNTY TREASURER ON REPUBLICAN TICKET
 In seeking re-election to the office of county treasurer, I feel that I am fitted by long training and experience, to continue to give the people efficient service.
 During my terms of office the work has been largely increased by the legislature without a single advance in salary and by the natural increase caused by changing economic conditions. And the county court has been asked to pay out but one bill of \$15.00 for deputy hire during this time, and that on account of having to refund special road tax held by the court to be illegally collected.
 Each year when taking vacations, I have paid the office help left in charge, out of my own personal funds.
 The last legislature transferred the tax collecting department from the sheriff's office to the treasurer's office thereby making it desirable for the taxpayers to keep a "trained man on the job."
 I have conducted this office on strict business principles, in the interest of all the people, and if you want that kind of a county treasurer for the succeeding term I will be very grateful for your influence and vote.
