

LICENSE TO REDUCE CATS

There is a bill in the Massachusetts legislature to license cats, same as dogs. Yearly fee, \$1 or \$2. The bill is supported by the state fish and game association. It is claimed that there are far too many cats, and that they are the

worst enemies of the song birds. So, it is figured, cats are responsible for the great increase in the number of harmful insects, and for making farming unprofitable.

6 CATHOLIC SLUGGERS INDICTED

Assaults of Anti-Catholic Lecturer Called to Account by Denver Grand Jury.

DENVER, Colo., April 14.—Six men were indicted by the grand jury in the district court today on charges of kidnapping growing out of the deportation, on April 5, of Rev. Otis L. Spurgeon, of Des Moines. The indicted men, all of whom are under arrest, are Jeremiah Cronin, Frank Soral, William Dolan, Frank Nugent, Barney Sylvester and Timothy Callahan.

The grand jury, in its report, criticized the Denver police department for not giving the minister better protection.

Mr. Spurgeon was taken from his hotel at night, carried some distance from the city, severely beaten and then released. For several days his condition was critical. Today he appeared before the grand jury and told his story of the attack.

The Des Moines minister came to Denver with the avowed purpose, it is said, of attacking the Catholic clergy, which he accused of immorality.

BROWNS HIMSELF IN PAUL OF WATER

COTTAGE GROVE, Or., April 14.—F. C. Reffling, a merchant tailor, was found dead in his shop at 7 o'clock last night. Death had resulted from drowning in a pail of water before which he was kneeling when found. His health is thought to have led to suicide. A few nights ago he was taken out of a water ditch and it is now thought he had attempted his life at that time.
