in Milan during the demonstrations there when almost the entire population turned out to demand the government declare war. There was a counter demonstration on the part of the Socialists against war and troops had to be called out to prevent hostilities. A laborer by the name of Marcove was killed by a policeman during the demonstration. The police authorities were unable to cope with the situation.

**THE DIAMOND FROM THE SKY.**

This new and great American feature, "The Diamond from the Sky" is the real stupendous feature of the day. Big terrific scenes that hold you breath one moment—enchanted the next. Who gets the diamond? You'll be on pins and needles—as tens of thousands are—to learn how it ends. Brimful of suspense, action and thrills.

Remember that you are offered \$10,000.00 for a suggestion for a sequel to this photoplay. See Lottie Pickford and Irving Cummings in the "Diamond from the Sky" which is shown at the Palace theatre every Sunday and Monday. The prologue of this great play was shown at this theatre last Sunday and Monday. A slight review of the prologue will be given and you now have the opportunity of starting right in with the first part of the real play Sunday and Monday, May 30 and 31, so do not miss the beginning of the finest play ever shown.

**AVOID WASTES.**

It was an old, yet trite, saying that "a woman may throw out of the window with a spoon more than a man can bring in on a shovel." This, of course, does not apply in many cases, but it is often as true as it is homely. A few of the many ways of wasting with a spoon are: Buying articles simply because they are "bargains" and expecting them to come in handy some time; using napkins for dish towels, towels for dish cloths and sheets or ironing tables; using silver forks and spoons in the kitchen; opening canned meats, preserves, etc., then by forgetting them and they are left to spoil; letting pieces of bread and cake dry and mold and then throwing them away; cooking larger quantities of food than can be eaten by the family at meal time; failing to cook plain diets and substituting diets that are expensive for the pocketbook and health. No, there are as grave responsibilities resting on the wife as on the husband in the home and the two must practice the same spirit of economy and pull together if they may hope for success. —Western Farmer.
