Reasons for This Great Offer

For many years the Piano sellers have been trying to reduce the selling price of Pianos. The old way of paying solicitors, paying teachers' commissions, and engaging great artists to play Pianos at fabulous prices we are trying to eliminate.

We are therefore working with the manufacturers and wholesalers, on an expense sharing campaign, to sell within this district the greatest number of Pianos at the least possible expense.

We are manufacturer's agents for instruments of proven quality, comprising some of the world's most famous makes.

Remember, your solution must be in our hands before June 22, 1915. This date has been made imperative by the manufacturers themselves, and we have no authority to extend it.
