DOUGLAS COUNTY NEWS

LOOKING GLASS

Mrs. Henry Schrenk has returned home again from a ten days' visit at Union Creek.

Mr. and Mrs. Frank Goodman, of Washington, have arrived in our valley for an extended visit with the former's parents.

Ernest Schrenk, with others of the Roseburg hospital corps, will depart Tuesday night for Fort Stevens, where they will remain for the next 10 days. The boys will be in company with Dr. Houck as their Captain. We hope the boys will have a good time while gone.

The Looking Glass, Brockway, Ten Mile and Olalla Sunday schools observed children's day last Sunday in a most attractive manner. The morning services consisted of union Sunday school for all, after which Rev. R. E. Mathis, of South Deer creek, our former minister, delivered a most able sermon to a very large audience. A most refreshing dinner was served on the ground by everybody present. At 2 o'clock the children's exercises began. The exercises lasted for two hours and were very much appreciated by a very large audience. There was hardly standing room left in the church. The program rendered was excellent in connection with the song service by the Looking Glass and Ten Mile quartettes. Our pastor, Rev. C. G. Morris, of Ten Mile, made a most able address in behalf of the good work of Sunday schools. Everybody present enjoyed the day very much and all went home happy, hoping we will all meet again some day with a happy group of Sunday school workers.

R. F. Rogers, Richard Goodman, Alba Spangh, Alva Howard and Harry Brown have gone over to old Brewster for a big outing. We hope the boys will have a good time while gone.

Chas. Lutman is building a new and up to date barn on his cozy little home in East Looking Glass.

social converses, followed by dainty refreshments.

The Swedes of the West Side gave a program and social at the hall, which was attended and very much enjoyed by quite a large crowd. The receipts of the evening are to be used to aid in the organization of a band.

The children's day exercises of the Melrose Sunday school are not to be held until June 29.

"Facts don't blow out."
—Mr. Squegee

The people who built the Pyramids did a job that has never been beaten. From foundations to cap-stones they were constructed to endure. There was no overweight anywhere and no part was too weak or too light to match the other parts. Hence the lasting qualities of the Pyramids. Diamond Tires are built, as the Pyramids were built, to last. Every part is made to wear just as long as the other parts endure. Consequently Diamond Squegee Tread Tires made a record in 1914 that has never been matched. Send for our book of letters from dealers who sold Diamond Tires in 1914. It tells how more than 99 out of every 100 of the more than half a million Diamond Tires sold last year gave maximum service at minimum mileage cost. It is yours for the asking.

Diamond Squegee Tires are sold at these "FAIR-LISTED" PRICES:
