GERHARD TELLS BERLIN U. S. WISHES PEACE BUT BACKS THE PRESIDENT

BERLIN, June 20.—Dr. Anton Meyer-Gerhard, whose long report to Foreign Minister von Jagow, Dr. Alfred Zimmerman, under secretary of foreign affairs, and Count Mont Gelas, head of the American section of the foreign office, acquainted these officials fully with the status of public opinion in the United States, will be given an opportunity to make a similar report directly to Chancellor von Bethmann-Hollweg before the actual work is commenced of preparing the German reply to the United States note regarding submarine warfare.

Whether or not Dr. Meyer-Gerhard, who was sent to Germany by Count von Bernstorff, ambassador to the United States, will visit headquarters and present his facts to Emperor William in person has not been decided. In any case, the German reply probably will not be ready for delivery in less than 10 days or two weeks.

Extended conferences between representatives of the departments concerned will be required to unify the views of the foreign office, the ministry of marine and the naval general staff for presentation to the United States.

These conferences and deliberations have not yet begun, and there is nothing to show what direction the current of German policy ultimately will take. It still is open question whether the reply will be another ad interim communication or a definite rejoinder.

Meyer-Gerhard is understood to have made it clear there is no doubt the American people are standing solidly behind the president in his insistence upon guarantees against a repetition of such an incident as the sinking of the Lusitania, and equally little doubt that no important section of the American people favors war if it can be avoided honorably.

DOZENS OF DOCTORS TO DISCUSS DISEASE

SAN FRANCISCO, June 21.—Under the leadership of Dr. W. C. Gorgas, Surgeon General of the U. S. army, and Dr. W. J. On the third day of the convention the organization will split into the 15 sections for

the consideration of various diseases. The American Academy of Medicine will begin its convention June 25, the principal speakers being Chancellor David Starr Jordan of Stanford University and Dr. Rupert Blue, surgeon-general of the U. S. public health service. Approximately two dozen medical associations are scheduled to meet or have met at the exposition this year.

JUDGES OFF FOR SUMMER.

WASHINGTON, June 21.—Breaking all records for many years in the number of cases disposed of in one term, the United States supreme court adjourned today. The nine judges went on their annual summer vacation. Court does not meet again until October. While the court left many important cases go over until fall, attaches declared more disputes have been settled by the highest tribunal since it convened last October than in a decade or more. Opinions will be prepared in many pending cases this summer for delivery in October.

MUST ANSWER FOR DEATH OF EX-PRIEST

MARSHALL, Tex., June 21.—Frank O'Leary was slated to face trial here today for alleged murder, growing out of the shooting of William Black, an anti-Catholic lecturer, and John Rogers, and the wounding of John Copeland, February 3, 1915. Black was an ex-priest, who had been delivering lectures against Catholicism. A delegation from a Catholic organization, it is claimed, visited him in his hotel with a view to having him desist. The shooting followed.

"FAIRYLAND" WILL BE STAGED.

"Some men hope and some men fret,
Some have pride and some regret,
But the good or ill depends,
After all, on what you get."
—Mister Squegee

There are people who can be satisfied with little if they know their neighbors have less.

This is a poor kind of philosophy.

It is not necessary to recommend any such doctrine to those who buy Diamond Squegee Tread Tires.

They have a right to demand much, no matter how little their neighbors get out of other tires.

Unbeatable mileage economy, unusual freedom from trouble on the road, and unexcelled service under all conditions are some of the things the man who uses Diamond Squegee Tread Tires has the right to expect.

And he gets them.

Diamond Squegee Tread Tires are sold at these "FAIR-LISTED" PRICES:
