FAVORABLE REPLY FROM GERMANY IS PREDICTED

American Ambassador at Berlin Makes Forecast on Note to State Department.

WASHINGTON, June 29.—Favorable reply from Germany to the last note of the United States concerning submarine warfare and the sinking of the Lusitania was predicted in an official dispatch from Ambassador Gerard, received yesterday at the state department. It was transmitted to President Wilson at Cornish, N. H. While the ambassador did not attempt to outline the forthcoming German note, he described the atmosphere in Berlin official quarters as favorable to a satisfactory reply. He referred to the visit of Dr. Anton Meyer-Gerhard, the emissary of Count von Bernstorff, the German

ambassador, pointing out that the latter's information apparently had impressed the German government with the idea that the United States did not want war with Germany, but desired satisfactory reply to her original demands.

The fact that Ambassador Gerard took occasion to predict informally the nature of the reply was regarded as significant in official quarters here, where it was pointed out that the ambassador's forecasts in the past had been conservative and consistent. Although it was not generally known, he gave the Washington government to understand what would be contained in the last German note, and the text itself bore out his predictions.

Inasmuch as the communication which is under preparation in Berlin is said to have been scrutinized by Emperor William as well as Chancellor

von Bethman-Hollweg and other high officials, the belief prevails that Ambassador Gerard would not have made his deductions without awaiting information following the conversation between the emperor and his advisers.

Ambassador Gerard understands the German official purpose to be to make no concessions which will affect the use of the submarine as a means of warring on the commerce of Great Britain, but to propose some way by which American lives and legitimate interests will be safeguarded.

Officials here have no inkling as to the methods by which this object is to be attained, but from previous dispatches from Berlin it is assumed that an arrangement will be suggested whereby German submarines would refrain entirely from attacks on ships of any nationality primarily used for passenger travel, while continuing to wage vigorous warfare on enemy ships devoted chiefly to the transportation of contraband.

Early Arrangement Expected.

The theory on which the Berlin foreign office is believed to be working is that the amount of contraband carried by enemy passenger liners is of a negligible quantity and that the submarine can be used most effectively against freight ships and transports. It is not known whether it is proposed to give passenger ships complete immunity, or whether assurances will be asked that if signaled by a submarine for visit and search they will offer no resistance.

It is believed the communication will be completed within the next 10 days.

DILLARD

Mrs. Van Brunt and her mother, Mrs. Waite, drove over from Round Prairie to visit relatives Wednesday.

Mrs. Jennie Kemp, of Portland, state president of the W. C. T. U., made an interesting address at the church Wednesday night.

Our new road leading to the Pacific highway on the east side of the river is being used more and more. Motoring from Roseburg to Dillard via Winston and Brockway on the west side and returning by the east road will become a favorite route, as it affords delightful scenic attractions.

Mrs. Brown's entertainment at the church Friday night was well attended, and the children rendered their parts well considering the short period they had for preparation.

A bunch of fat cattle was shipped from the Miller ranch the first of the week. Loren Miller accompanied the car to Portland.

The Dillard boys played base ball in Roseburg Saturday afternoon winning in a closely contested game. Score 10 to 6.

Rev. D. B. Bowers held morning and evening services Sunday, and in the afternoon administered the ordinance of baptism to three little girls.

PASSED AWAY.

Mrs. Mary E. Shoemaker, mother of the senior editor of The News, passed to her eternal rest at 11:30 this morning, June 29th, in Napoleon, Ohio, where she has lived continually for over fifty years. She leaves to cherish in loving remembrance, three sons, five grandsons, one granddaughter, one great grandson and two great granddaughters, one brother, one sister, besides a host of life-long friends. The funeral services will be held on Thursday afternoon, July 1, at Napoleon, Ohio, conducted by the pastor of the First Presbyterian church, of which she had been a life-long and faithful member.

Ruth Miller and Lucille and Gladys Hubbard.

Miss Eva Rice, of Roseburg, is spending the week with her cousin, Vivian Buell.

Miss Cella Waite and her younger sister, Audrey, of Round Prairie, are visiting their sister, Mrs. Lady Norris Walker left Monday for Costa Rica where he expects employment in a saw mill.

Mrs. H. G. Walker spent Sunday with her daughter, Mrs. Henry, returning to Riddle Monday.

Piano tuner, H. Jay Stone, of Roseburg, was making professional calls here Monday.

OPTIMIST & CO.

"MAKE MINE A MALTED MILK"

One hundred and forty-one thousand, two hundred times a year this order is repeated by students of the University of Wisconsin to Madison dealers, says the Madison Daily Cardinal.

These figures are not the result of guesswork, but are based on carefully compiled reports submitted by dealers in the university district.

Some idea of the vastness of the consumption of Horlick's Malted Milk by the students of this one university alone may be gained when it is considered that the straws used in serving would, if placed end to end, form a line thirteen miles long, while the total amount of malted milk would fill a reservoir of thirteen thousand gallons.

The investigation also developed the fact that the students do not order malted milk merely as a delicacy or a thirst quencher, but because they have discovered that its highly nourishing and sustaining qualities enable them to make a satisfying lunch on a "glass of Horlick's."

The total amount annually expended by the students in this manner is \$14,120 and it is estimated that the saving through the resultant economy on restaurant checks represents at least an equal amount, or enough to pay all expenses for 50 students

Vacation Time

When you take that trip to the sea shore or into the forest or go fishing, play fair with your good watch, it needs a vacation as much as you do. Leave it and have it cleaned and oiled, barring accidents this is the only tonic your watch will ever need; do this once a year and your watch will outlive you. Take an Ingersoll watch along with you—you all know the price and the guarantee. We have a full line of these vacation watches, also a complete line of the high grade watches and our prices are below mail order houses.

CANAL TOLLS RUN INTO MILLIONS SINCE OPENING

WASHINGTON, June 29.—A total of \$4,000,000 in tolls was collected for the use of the Panama canal in the period of time between the opening of the waterway for traffic in May last year up to June 6 last.

During April the tolls for the first time were greater than the cost of operation and maintenance of the canal.

MONTENEGRO IS IN THE LIMELIGHT

ROME, June 29.—A body of Montenegrin troops have occupied Squatari, in Albania, has been announced.

Cooling Wash Stops That Itch

Yes—not in half an hour—not in ten minutes—but in 3 seconds. Just a few drops of that mild, soothing, cooling wash, the D. D. D. Prescription, the famous cure for Eczema, and the itch is gone. Your burning skin is instantly relieved and you have absolute protection from all summer skin troubles. We can give you a good size trial bottle of the genuine D. D. D. Prescription for only 25 cents. Don't fail to try this famous remedy for any kind of summer skin trouble—we know D. D. D. will give you instant relief.

W. F. Chapman, Druggist.
