

"Time shows all the one way to independence—a Bank Account."

July 4th—Independence day marks our nation's fight for liberty, and should remind all to strive for individual independence by starting a bank account.

Without effort there is little chance for accomplishment and none for opportunity. If you earn money, it is a duty to save part of it and we are ready to aid those who have the desire to become independent.

The Douglas Fire Patrol has just completed eight miles of telephone between Camas Valley and Buck mountain where they have established a lookout. The fire patrol is doing everything in its power to prevent the starting and spread of forest fires in this county and the new line of telephone is one of the chief aids of the department and will prove a great saving of time and money in case of fire in that region, as men can be rushed to the scene of the conflagration in much shorter time than if the ranger had to traverse the distance on foot.
