**"Time has proven that a dollar in the Bank, is worth two in your pocket"**

With whom would you rather associate, the man with the bank account, or the man without one? Think it over.

Saving signifies character, and how much you have in the bank is not so important as the fact that you do save and have a bank account. That's the gauge men are measured by for big jobs and important positions that often start them on the road to fortune. Begin with \$1.00.

## Story Beautiful," Climax of Art and Oratory

REV. P. J. MACCORY.

ONE of the classics of the platform is "The Story Beautiful," which is a gem, considered either from the standpoint of literary, musical or inspirational worth. Father P. J. MacCorry, eminent missionary and lecturer, has a national reputation as a finished orator. The views and musical program which accompany his exquisite lecture make a composite entertainment that is not approached in its way.

### PORTER TRIES TO BUY RAILROAD

PORTLAND, Ore., July 14.—James J. Hill's Great Northern and Northern Pacific railroad still remain in the hands of that and other gentlemen.

This is in the face of the fact that Harry Tipton, Great Northern porter won \$1,500 in a contest. When he won the money he rushed to the offices of the companies, and attempted to buy the railroads. Informed that the roads were not for sale, he told the management that he formerly was a porter but that he had entirely too much money just now to work for the company and resigned.

### ST. LOUIS MAKES STRONG BID FOR SHRINER CONVENTION

SEATTLE, Wash., July 14.—The selection of the new member of the imperial divan of the Shrine order and the city which will entertain the forty-second council meeting in 1916 held the attention of the Shrine council today at the second session of the annual meeting being held here. The new member of the Divan, captain of the outer guard, will become imperial potentate in 11 years, if nothing intervenes, and the prize is the most eagerly sought in Shrine-dom.

St. Louis made a strong bid for the

1916 council, already having raised a fund of \$50,000 for entertainment purposes. The Missouri city Shriners brought a huge balloon with them. It will be released tomorrow at Woodland Park during an immense barbecue spread for the bands and patrols of the visiting temples.

### OUTLAWS REVENGE IN THE DAWN OF A NEW REPUBLIC

Did you read the story in The Saturday Evening Post? It is the actual story of Villa's own early life. The story opens with a few brief scenes, leading up to the attempt of two dastardly federal officers to force a premature marriage on Villa's small 14-year-old sister. Villa comes home to find her dead, shot in an attempt to defend herself. He swears vengeance, and after an escape from death, we see his nerve-racking ride across the plains. He waits and unseats a pursuing federal. Now armed with a rifle, he seeks a shelter with some Americans, traveling in a covered wagon. He tells the daughter of the family, "If you ever need help, send me this crucifix." Months later, these rescuers of Villa find themselves hard pressed by a band of marauding federals, headed by the captain responsible for the death of Villa's sister. The girl sends her sweetheart with the crucifix, and he reaches General Villa. In a cloud of dust the constitutional cavalry gallop to the rescue, which they effect in the nick of time.

The last reel ends with General Villa, a smile curving his lips, circling around his sister's betrayer. Stamping, cavorting horses, the flash of rifles, a thousand men leaping into their saddles and a wild gallop over the desert, is but only one of the great scenes in this actual historic play of the present day which will be shown at the Palace theatre only one day, on Thursday, July 15.

"It's easy enough to be pleasant when a man has all he requires; if his health is all right his heart will be light while he's riding on Diamond Tires."

—Mr. Squeegie

A man is a good deal like a tire. His greatness depends on the crowd he is in.

The really great man—the leader—literally has to meet all comers in the contest for public approval. Any tire is the best tire in a crowd of inferiors. But nowadays a tire has to be extraordinary if it is to make and hold a record for superior service and mileage economy.

It is the extraordinary quality of Diamond Tires that has given them their deserved pre-eminence. Send for our book of letters from dealers who sold Diamond Tires in 1914.

It tells how more than 99 out of every 100 of the more than half a million Diamond Tires sold last year gave maximum service at minimum mileage cost. It is yours for the asking.
