Benny Kauff's Case is Still the Bane of Big League Magnates

KAUFF.

NEW YORK, July 17.—Although Benny Kauff has been ordered back to the Brooklyn team, his status is still giving the officials of the big leagues considerable trouble. Judging from the discussion which has taken place over the case, the only things which seem to prevent Benny playing with the Giants are the constitution of the United States, the traffic rules and regulations and Holy. It was decided at a meeting attended by President Tener and several National league club owners that the iron clad laws of the national commission automatically operate against the engagement of Kauff with the Giants. As an "outlaw" he may apply for reinstatement, but he cannot be taken back in the fold until three years after his offense of jumping to the Federals was committed. He jumped a year ago, so he cannot be restored to good standing for two years more.
