Saving signifies character, and how much you have in the bank is not so important as the fact that you do save and have a bank account. That's the gauge men are measured by for big jobs and important positions that often start them on the road to fortune. Begin with \$1.00.

To the Business Men of Roseburg

Prosperity and local pride are twins. They are born at the same time and grow up together. Enthusiasm for the home town is a great thing for local business men. Once developed, this feeling shows direct returns in more sales and bigger profits.

Have you ever seen a shabby town proud, or prosperous? Good paint is a powerful factor in keeping prosperity after a community has won it.

We sell and recommend

GLENGARY NEWS

We are having pretty warm weather at present, but hope it will not last long, for the crops are drying up very fast.

It is fine hay weather. The hay balers are quite busy. The French boys are working with their baler; also Mr. Johnson has a baler at work.

Fred Hoffman intends to start his baler Tuesday.

Mrs. McGhehey is improving very nicely now. We hope she will continue that way.

Rev. Eaton, pastor of the Baptist church in Roseburg, delivered a fine sermon at the Glengary school house Sunday afternoon. A good sized crowd was present.

Listen for "wedding bells" of a young couple in Glengary.

The W. C. T. U. was well attended last Wednesday at Mrs. Reed's of Roberts creek, and it was voted by the members present that they should have an ice cream social next Saturday night at the Frank Wilson hall on the old Cooper place. Ice cream will be for sale at 10 cents a dish with cake.

Quite a crowd gathered on the banks at Carnes station last Thursday night when the Liberty Bell passed through. It was a grand sight.

Margaret Lacey arrived home on the two o'clock train Sunday from Myrtle Creek where she spent a week visiting among friends. She reported a very pleasant time.

Luessia Johnson has been staying with her sister-in-law, Ora Johnson, while her husband has been away with the hay balers.

Mrs. McGhehey's sister, Mrs. Kramer, from Tucson, Ariz., is here visiting. She expects to stay till the first of August. Her son is with her.

Mrs. Carnes and her big boy are getting along fine, also Mrs. Nelson and her baby girl.

The older folks seem to be taking more interest in the Christian Endeavor lately. A number of them were present among the young folks last Sunday night. We are glad to see them come and hope that more will take an interest later.

Message No. 4

To the Business Men of Roseburg

A young doctor, making a start in a small town, decided that to be prosperous he must look prosperous. He bought a new buggy and two good horses. Although he had only a few patients he always kept on the jump, attending to his patients' smallest needs. People began to notice this young doctor driving about town and they called him because he looked busy and prosperous. He got his start—a start that led to a comfortable practice.

Our town, like this doctor, must look prosperous to be prosperous. Clean streets, attractive store windows, well-painted buildings and dwellings give the prosperous air. Well-painted buildings are greatest of these.

Selby White Lead

"It's easy enough to be pleasant When a man has all he requires; If his health is all right His heart will be light While he's riding on Diamond Tires."

—Mr. Squeegee

A man is a good deal like a tire. His greatness depends on the crowd he is in.

The really great man—the leader—literally has to meet all comers in the contest for public approval. Any tire is the best tire in a crowd of inferiors. But nowadays a tire has to be extraordinary if it is to make and hold a record for superior service and mileage economy.

It is the extraordinary quality of Diamond Tires that has given them their deserved pre-eminence. Send for our book of letters from dealers who sold Diamond Tires in 1914.

It tells how more than 99 out of every 100 of the more than half a million Diamond Tires sold last year gave maximum service at minimum mileage cost.

It is yours for the asking.
