As will be seen from an announcement on another page, the "Square Store" will have its formal opening of new fall goods on next Monday. The gentlemen comprising this firm are experienced men in the business and they have come here with the intention of making this city their home. They have put in a complete stock of new, up-to-date goods for which they ask an inspection.

What came near being a serious accident happened near the Calkins ranch at Edenbower this afternoon when a team driven by Mrs. L. H. Baldwin and occupied by herself and a couple of children ran away, turning over the buggy, with the result that she sustained three fractured ribs and a large gash on the head besides a number of severe bruises. The team became frightened when one of the reins broke, and started to run, the children jumped from the rig and escaped injury. Mrs. Baldwin, however, stayed with the buggy until it was turned over, throwing her to the ground. She was taken to Mercy hospital and Dr. Sether summoned, but at this time it is impossible to ascertain the seriousness of her injuries.

MEAT INJURIOUS TO THE KIDNEYS

Take a Tablespoonful of Salts if Back Hurts or Bladder Bothers.

We are a nation of meat eaters and our blood is filled with uric acid, says a well known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful, effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.
