**BULGARIA PROMISES WAR
ON TURKEY IMMEDIATELY**

ROME, Aug. 29.—The entente powers, according to a positive statement made by the Sofia correspondent of the Giornale d'Italia, have offered to Bulgaria that part of Macedonia given to her by the Sebo-Bulgarian treaty of 1912, with the right of immediate occupation.

Proportionate compensation is to be given to Serbia, including the city of Kavalla with the districts of Kavalla and Seres, with the right of immediate occupation.

Bulgaria on her side renounces forever pretensions to Saloniki, Vodina and Uskub. She promises also to declare war immediately upon Turkey, aided by funds of the four allies. Bulgaria will receive further territorial concessions in Turkey.

PARIS, Aug. 29.—A dispatch to the Havas agency from Berne says:

"According to information from semi official Serbian sources here, Serbia has accepted the conditions of the allies and will consent to the occupation of Macedonia in exchange for a section of Dalmatia and adjacent island and the partition of Albania with Greece, except Avlona, which will remain Italian. When this is done, the allies will transfer Macedonia to Bulgaria. The plan only awaits the adhesion of Italy."

**FIRE WARDEN SAYS HE
WAS TWICE SHOT AT IN
MOUNTAINS FOR A DEER**

SALEM, Or., Aug. 29.—Declaring that he had twice been mistaken for a deer and shot at, G. E. Trott, fire warden at Canas, Douglas county, has written State Forester Elliott urging him to sound a warning to hunters to be more careful. August 14 he was shot at while

obtaining some water from a spring, and again August 18, while riding along a trail, he says. Bad marksmanship saved his life the first time, he declares, and the second time when the Portland man shot at him the latter discovered his mistake just as he pulled the trigger and swerved his gun to one side. Trott named a sportsman of Portland as the careless shot but the man mentioned was not in Oregon at the time of the incident.

**STATE GAME WARDEN

He will make it a point to be present at the regular meeting of the local Rod and Gun Club on Thursday evening, and every member should be present and learn his ideas as to the best methods of protecting game.—Newport Enterprise.

Mrs. Geo. H. Smith left today for her home at Grants Pass after a visit with her daughter, Mrs. C. H. Cleaves.

Blanche Reed and Eva Lenox left this morning for San Francisco where they will spend a couple of weeks attending the exposition.

Then one day he discovered Mayr's Wonderful Stomach Remedy. He took it and got results right away. Long after he had been assured of the success of this remedy he wrote:

"I commenced taking your medicine last May, and since then have passed thousand of accretions. If it had not been for your medicine I feel sure I should have been dead by now. I feel like a new man; My stomach trouble and my liver and nervous troubles are all considerably improved."

Thousands of such letters prove the merit of Mayr's Wonderful Stomach

Remedy. It is known and used all over the United States. The first dose of this remedy is proof—no long treatment.
