A new kind of floor oil is one of the latest improvements of the year. This floor oil is made from a pure mineral base, instead of animal fats, the offscourings of packing house and meat shop. It also damages the cloth fabrics less and is more pleasant to handle in application. Try a quart or gallon. B. W. Strong, the furniture man. 947-212

Skin Soothed and Healed by D. D. D.

Itching skin, ugly eruptions, scaly rashes, Eczema and its allied diseases all yield instantly to the soothing influence of the mild, simple wash, the D. D. D. Prescription for Eczema. From our experience with skin sufferers, we are convinced that skin disease is caused by germs beneath the outer skin that spread and multiply until they become a mass of gnawing animals. D. D. D., a penetrating liquid, destroys these germs and washes them away, thereby relieving that awful itch immediately. A 50c bottle will prove this much to you. We are so confident that D. D. D. can reach all cases that we offer you the first full size bottle on the guarantee that if it fails to do as we say, we will refund the purchase price. You alone to judge. D. D. D. Soap aids in keeping the skin pure; ask us.
