R. O. Lehman, president of the Lehman Telephone Company, over in the Callipoola country, rode over to Roseburg yesterday, a distance of some sixteen miles. As he would have had to go ten miles to take the train at Oakland, he thought it would be just as easy to ride the other six. He returned today after his business matters had been attended to.

What came near being a serious accident happened this morning at the corner of Oak and Stephens streets when a car belonging to one of the Bandon stage routes collided with the auto belonging to Dr. R. E. Hunt. Mr. Hunt's car was standing in front of his office on Oak street when the stage came round the corner at such a rate of speed that it was impossible to swing clear of the car standing by the curb. The accident resulted in the bending of the

W. H. Lytle, state veterinarian, spent the day in this city yesterday attending to business matters.

While waiting for the train to come in which was to bring President Sproule, of the Southern Pacific, a group of the business men who were there to greet him, passed the time in comparing pocket knives, and it was a regular old curiosity shop they made. Bid Fisher, A. J. Lilburn, J. W. Perkins and some others all had some dandies, but mayor Rice and Harry Pearce went them a little better and they were doing considerable crowing until J. H. Booth showed his, and then all competition was off, for every man present wanted to make a trade even with some "to boot". The only wonder is that it was finally returned to the owner.

MEAT CAUSE OF KIDNEY TROUBLE

Take Salts to Flush Kidneys If Back Hurts or Bladder Bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act free. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.
