It will be of great benefit to the young people of Roseburg to hear this concert. Mr. Parker is just 18 years old. He began lessons with Miss Sylva at the age of 15, never having studied music in any way before. After studying one year and a half, Miss Sylva left Ashland. He was then playing at the theatres and all other social affairs.

Last winter he studied with Arthur Conrad in San Francisco for nearly four months. No doubt nearly every one knows of Conrad, teacher at the largest conservatory in Berlin for many years. Mr. Parker has not studied altogether 22 months, and yet it will be seen by his program that he is superior to any violinist who has played in Roseburg in the last year or more. There are talented young people to-

day studying vocal, piano and other instruments who can do as much and we have the teachers in Roseburg.

Seats on sale at Chapman's drug store now, where they can be reserved without extra charge. Admission 25c.
