Admiral Sir Henry B. Jackson.

Admiral Sir Henry B. Jackson, who has become first sea ford of the British admiralty in succession to Lord Fisher, has not only served on numerous technical committees in connection with the equipment and design of warships, but was the first in England to put Hertzian waves to practical use for wireless telegraphy; and he has done very much toward introducing "wireless," perfecting it, and organizing it in the British navy. He is also an expert in torpedoes and the submarine

D'ANNUNZIO ORDERED TO JOIN HIS REGIMENT

Gabriele d'Annunzio.

Gabriele d'Annunzio, the Italiam poet, who is a second lieutenant on the army reserve list, has been ordered to join his regiment. D'Annunzio is credited with having done more than any other one man to inflame the people of Italy for war, and thereby to bring italy into the conflict on the side of the allies. His motives for so doing were purely sentimental, involving his sympathy for France and his devotion to "Italia Ir. edenta." Gabriele d'Annunzio
