After examining into the record of David Clark, the man who was arrested in California and who is said to have claimed he was concerned in an attempt to hold up the Shasta Limited near Riddle, Sheriff Quine finds that the wound which the young man claims to have received at that time, was self-inflicted. Clark, who was then residing at Riddle became despondent over the fact that the young lady with whom he was keeping company, was paying too much attention to another young man of her acquaintance and attempted to commit suicide. The bullet failed of its intent and he was brought to Mercy hospital and was there at the time the attempted hold ups took place on June 16 and 28, 1911. It is thought that he intended by telling the story to be brought to Oregon where he could prove his innocence and might possibly escape

SUDDEN DEATH

Caused by Disease of the Kidneys.

The close connection which exists between the heart and the kidneys is well known nowadays. As soon as kidneys are diseased, arterial tension is increased and the heart functions are attacked. When the kidneys no longer pour forth waste, uræmic poisoning occurs and the person dies, and the cause is often given as heart disease, or disease of brain or lungs.

It is a good insurance against such a risk to send 10 cents for a sample package of "Anurie"—the latest discovery of Dr. Pierce. This will be examined without charge by expert chemists at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. When you suffer from backache, frequent or scanty urine, rheumatic pains here or there, or that constant tired, worn-out feeling, it's time to write Dr. Pierce, describe your symptoms and get his medical opinion without charge—absolutely free. This "Anurie" of Doctor Pierce's is found to be 37 times more active than lithia, for it dissolves uric acid in the system as hot water does sugar.

Simply ask for Dr. Pierce's Anurie Tablets. There can be no imitation. Every package of "Anurie" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Golden Medical Discovery for blood and stomach.

WORRY, DESPONDENCY.

Kidney Disease is suspected by medical men when patients complain of backache or suffer with irregular urination, disturbed, too frequent, scanty or painful passage. The general symptoms are rheumatic pains or neuralgia, headaches, dizzy spells, irritability, despondency, weakness and general misery. Worry is a frequent cause and sometimes a symptom of kidney disease. Thousands have testified to immediate relief from these symptoms after using Dr. Pierce's Anurie Tablets.

SECOND COMING OF CHRIST.

Clifford Jope is an inspiring song leader, and a happy audience sings when he directs. His ability is shown both in the special songs and in the congregational singing. If you want to hear an earnest expounder of the "faith once for all delivered to the saints," hear R. E. Jope at the Christian church tonight, on "No Room for Jesus." Last night on the subject of Christ's second coming, some of his statements were as follows:

Jesus came the first time to redeem men from sin. His second coming will be to redeem from death, the body as well as the spirit. Christ's first coming was the hope of Israel. His second coming is the hope of His church. No man knows when He will come, but it behooves every man to be ready. He will come as he went Acts 1:6-11, with archangel and trumpet of God, I Thess. 4:16, clouds, Rev. 1:7, flaming fire II Thess. 1:7-8, in his glory, Matt. 25:31.

As a result of his coming the dead will be raised I Thess. 4:16-17, I Cor. 15:51, and death will have no more power. Then comes the judgment when we shall be judged as to whether we have done or not done, Matt. 16:27. The church is a divine, a saving institution yet we neglect some

things Christ did. He met the physical needs of man.

The earth is to be purified by fire, II Peter, 3-10, and "I believe," said the speaker, "will be the final abiding place of the saints. I know of no better place were sin removed." Heaven is a real place where there is no sorrow, pain or death, but where Christ shall abide forever with his saints. If Jesus came tonight would you be ready?"

We sure have snow, and we really do not feel so very much inclined to read Whittier's beautiful creation as we have done when reading it in summer time. Yet how very true to life are his descriptions of the old home "snow bound" and how truly we all enjoyed those hazy childhood reminiscences. We now can see the great advantages of the present snow for the best interests of our valley in the coming winter season and for our mutual benefit along other lines. MOLLIE.

ANOTHER WONDERFUL RECOVERY FROM KIDNEY TROUBLE

For nearly nine years I was a great sufferer from what my doctor said was kidney trouble and my blood was out of order; enduring all that time excruciating pain in my back and across my bowels. I was drawn down so that I could only walk with my hands on my knees. My doctor said he could do nothing for me. I tried many kinds of medicine but all to no avail. A friend told me about Dr. Kilmer's Swamp-Root, and as I had tried everything else that I heard of, I bought a bottle of Swamp-Root and it did wonders for me. I prize it higher than any other medicine and I shall recommend it to my friends. I wish to add right here that after using Swamp-Root for two months I began to straighten up and am now sound and well, and feel like I might live a long time yet to tell what your medicine did for me.

"RAGS" A HIT AT THE ANTLERS

Certainly, "Rags" is a great picture. Mark Pickford is always good but in "Rags" she is at her very best and only in "Tess of the Storm Country" does she come anywhere near equalling her splendid work in "Rags".

Figures like this are always welcome, as they are clean, wholesome and interesting. They tell a story and teach a lesson at the same time which is indelibly stamped in the memory for all time and can never be forgotten. This picture will be repeated tonight.

Saturday is the day set apart by the management of the Antlers for fun and frolic. On this day the great and only Charlie Chaplin will be seen in his great mirth-provoking two-act farce comedy entitled, "Work". To see Charlie's conception of "Work" is an education and a scream.
