

Portland's Tenth Annual Rose Festival, June 7, 8 and 9, will be advertised this year by a poster design, the gift of Fred G. Cooper, famous eastern artist, whose work is seen frequently in weekly and monthly magazines of national prominence. Mr. Cooper is a native son of Oregon and his father, J. C. Cooper, is one of the best known pioneers in the state. The poster features the 1916 slogan, "For You a Rose in Portland Grows" and includes a view of the new Columbia River Highway. The national dedication of the highway takes place June 7, opening day of the festival.

A very pleasant afternoon was spent at the home of Mrs. Harralson Monday, February 7, the occasion being the 65th birthday of Mrs. Winston. Mr. Harralson's mother. The ladies took Mrs. Winston by surprise and the hours were spent in conversation, needlework and music, after which the hostess served a dainty lunch.

Those present were Mrs. Greg, Mrs. Butler, Mrs. Miller, Mrs. Bruder, Ms. Ritzman, Ms. R. C. Brown, Mrs. Maynard, Mrs. Hendricks, Mrs. Frabier, Mrs. Wilson, Mrs. Kuntch, Mrs. Bodie and Mrs. Bradford.

A number of loving remembrances were given Mrs. Winston and all departed wishing her many happy returns of the day.

CHILD WELFARE DAY.

Child welfare day will be observed by the Fullerton Parent-Teachers' association, Friday evening 7:30 at 145 Fullerton school building in West Roseburg.

The association has invited the Fullerton industrial club and have prepared a very interesting program.

Child welfare week is to be a statewide campaign, the aims and purposes of the association are to raise the standards of home life, to develop wiser, better trained parenthood, to carry the mother-love and mother-thought into all that concerns or touches childhood in home, school, church, state or legislation.

To interest men and women to cooperate in the work for purer, truer homes in the belief that to accomplish the best results, men and women must work together, to surround the childhood of the whole world, with that loving wise care in the impressionable years of life that will develop good citizens instead of law-breakers and criminals. To secure such legislation as will rescue, instead of confirm the child in evil ways.

The work of the Parent-Teachers association is civic work in its broadest sense and every man or woman who is interested in the aims of the association are cordially invited to become a member and aid in the organized effort for a higher national life which can only be obtained through the individual home.

CITY NEWS.

Mr. and Mrs. Lyman Spencer have moved their place of residence from West First street to 1024 North Jackson street.

Since Dr. Wade has become an aspirant for office, he evidently thinks there should be more male voters, so he assisted in the birth of the first pair of living twins to be born in the county this year.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat, which clogs Kidneys, then Back hurts and Bladder bothers you.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

KEEPING BOARDERS

is a Business Matter, Advertise it in a Business Way!

Don't rely upon three lines of type NOW AND THEN. Advertise as long as you have room or accommodation for another boarder, or the prospect of one or more of your guests leaving. Make your ad one that will be read twice by anyone to whom the subject of a place to board could possibly have any interest.

BORN—To Mr. and Mrs. A. F. Harrison, of 610 Short street, on Tuesday, February 8th, at 4:30 p. m. twin boys, each weighing nine pounds. Both mother and twins are doing fine.

DRINK A GLASS OF REAL HOT WATER BEFORE BREAKFAST.

Says we will both look and feel clean, sweet and fresh and avoid illness.

Sanitary science has of late made rapid strides with results that are of untold blessing to humanity. The latest application of its untiring research is the recommendation that it is necessary to attend to internal sanitation of the drainage system of the human body as it is to the drains of the house.

Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the phosphated hot water is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the internal organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatic stiffness; others who have hollow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.
