

**SOME MORE INQUIRIES ABOUT DOUGLAS COUNTY**

So far, over 190 responses have been received by the Commercial club from owners of properties throughout the county, as a result of publishing the inquiries received by that body, and they have decided to continue the practice for a short time longer. The service will then probably be limited to members, but as the fee for out-of-town members is merely nominal, it is expected that this feature alone will bring in many applications. The fee is \$1 to join, and \$4 per year dues, with the provision that when the dues are paid for a year in advance it is reduced to \$3. Below is given list No. 5.

**Inquiry No. 40**—Has 2320 acres of land in Montana valued at \$22,000 which he wishes to exchange for Umpqua Valley farm land. Might consider timber land in exchange.

**Inquiry No. 41**—Has 80 acres improved farm land in eastern Oregon to exchange for cheaper land in this county.

**Inquiry No. 42**—Is a skilled mechanic, bricklayer and cement man. Has \$2500 to invest, but wishes to get employment also at his trade.

**Inquiry No. 43**—Wants from 10 to 20 acres of farm land on lease for term of 3 or 4 years with privilege of buying. Is an experienced farmer.

**Inquiry No. 44**—Looking for a location for a machine shop.

**Inquiry No. 45**—Is looking for good land for general farming.

With the building of a high school, federal building, saw mill and railroad, besides the improvement and opening of a cement rock quarry, and the possibility of the establishment of a commercial fertilizer plant, it seems that Roseburg will have more to offer the prospective homeseeker, with a few

thousand dollars to invest, and a desire to work, than any other part of the west.

**COAST ARTILLERY BOYS TAKE EXAMINATIONS**

According to the report received today by Captain J. A. Buchanan, 13 members of the local company of coast artillery who took the examination for first and second class gunners were successful. Sergeant Dan Coffel, Mechanic Mark Simpson, Mechanic Fred Worthington, Musician Arthur Leonard, Ralph Baldwin, J. H. Bosard, Leland Brown, I. L. Ragsdale, and Hugh Wells were the successful ones in the examination for first class gunners and Stanley Bond and Walter Edgerton passed the examination in the second class.

Four members of the company left this morning for Eugene where they will take the examinations for gun pointers and gun commanders. The company now has among its members five rated officers, two observers, two plotters and one qualified commander.

Since being changed from state militia to coast artillery the local boys have made a rapid advancement and now stand foremost among the companies of the state. In their shoots at Fort Stevens each year they have scored high and this year intend to do much better work as they have had a great deal of practice with the apparatus built for them at the armory. All members are studying hard and are rapidly qualifying for the positions offered by the government.

**"PEG O' MY HEART"**

"Peg O' My Heart" is one of the few plays the last decade has provided that seems to have firmly entrenched itself in the public's favor, and to have a ready welcome awaiting it on its repeated visits. It comes to the Antlers theatre Tuesday February 29, and will undoubtedly find the theatregoers even more ready to accept it than before. Florence E. Martin, who played the chief role in Boston for seven months and Philadelphia for five months will appear here as the Irish lass, and her supporting company will be made up of members who played with her during the Boston and Philadelphia engagements. Miss Martin is said to be ideal in the role of "Peg," where ever she has appeared. She was selected by Mr. Moreano to head the one company for the final tour of this dramatic gem.

Reserved seats will be on sale as usual at Chapman's pharmacy at least four days in advance of the show and mail orders can be sent in at any time to the Antlers theatre box office.

**BELGIUM DOES NOT WANT SEPARATE PEACE**

LONDON, Feb. 9.—A Rome dispatch said that Belgium has rejected German overtures for separate peace. Cardinal Mercier is reported to have told the Pope this. The peace terms extended by the Germans were: The complete restoration of Belgium, reserving the privilege to the Germans of the use of the channel ports; G. many to pay a large sum for the rebuilding of the destroyed buildings, and the maintenance of Belgian neutrality during the remainder of the war. It is declared that King Albert indignantly refused the terms and will not consider peace until the allies are victorious. Belgian sources denied that any overtures were made, but The Hague reported that negotiations were proceeding satisfactorily from the German standpoint.

**MRS. W. T. WRIGHT ENTERTAINS**

Mrs. W. T. Wright was hostess for a small party of friends last night at her home on Lane street. The guests included Mr. and Mrs. J. F. Barker, Mr. and Mrs. J. A. Buchanan, Mr. and Mrs. Charles Wharton, Mr. and Mrs. William Bell, Mr. and Mrs. A. A. Wilder, Mr. and Mrs. A. J. # Camel Cigarettes

are wide-open for comparison with any cigarette at any price! Most sensitive smokers appreciate the pleasure Camel quality offers. They prefer it to premiums or coupons! Freedom from tongue-bite and throat-parch is as welcome as is the absence of any unpleasant cigarette after-taste!

Camels are blended choice Turkish and choice Domestic tobaccos; you'll prefer their new flavor and mild-smoothness to either kind of tobacco smoked straight! That desirable, satisfying "body" is all there—without any come-back! No matter how many you smoke!

Camels are sold everywhere in scientifically sealed packages, 20 for 10c; or ten packages (200 cigarettes) in a glassine-paper-covered carton for \$1.00. We strongly recommend this carton for the home or office supply or when you travel.

R. J. REYNOLDS TOBACCO COMPANY, Winston-Salem, N. C.

The stamp placed over end seals the package, which keeps out air, thereby preserving the quality of the blended tobacco. By inserting the fingers as illustrated, the stamp easily breaks without tearing the tin foil, which folds back into its place.

**TURN HAIR DARK WITH SAGE TEA**

Grandma kept her locks dark, glossy and thick with a simple mixture of Sage Tea and Sulphur.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the traditional task of gathering the sage and the musk mixing at home. All drug stores sell the ready-to-use product called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive; besides, prevents dandruff, itching scalp and falling hair.

**Laughter and Smiles**

A 1885 COHEN TELEPHONES FROM BRIGHTON. Joe Hayman and Company. Humorous Sketch. 75c SERENADE. (Moskowski.) Prince's Orchestra.

"Cohen" is still telephoning—and thousands of people are still laughing at his efforts. His latest attempt to call from a public pay office will reduce you to complete helplessness. Whether he really gets the "pretty little number" he wants is a mystery you will only know when this funniest of all "Cohen" records is added to your collection.

One of the best known melodies in music is the legato theme of Moskowski's "Serenade". This utterly charming composition of the Russian composer has been played with a delicacy and perfection of interpretation seldom equalled even by Prince's expert orchestra.
