

WINSTON

We are all still "up and going" even if we don't make a noise.

The farmers are all taking advantage of the lovely spring weather. They are plowing on the upper lands and if old King Sol stays with us a few days longer we will be able to turn the sod anywhere.

Miss Fay Agge, who has been a guest at the Wilson home for the past few days, returned to her home at Roseburg where she will again resume her studies at high school.

Quite a number of young folks attended the dance at Brockway Saturday night. Everyone had a good

"Why Swear, Dear? Use 'Gets-It' for Corns!"

It's the New Plan. Simple. Sure as Fate. Applied in a Few Seconds.

"Why, John, I never knew you to use such language! I've told you several times it's no use to try those bandages, salves, tapes, plasters, and

"You Wouldn't Lose Your Temper, John, If You Used 'Gets-It' for Those Corns!"

contraptions for corns. Here's some "Gets-It". It's just wonderful how easy, "clear and clean" it makes any corn come right off. Takes but a few seconds to apply. It dries at once. Put your sock on right over it—there's nothing to stick or roll up, form a bundle of your toe, or press on the corn. It's painless, simple as rolling off a log. Now put away those knives, razors and solissors, use "Gets-It" and you'll have a sweeter disposition and no more corns and calluses.

"Gets-It" is sold by druggists everywhere. 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill.

Sold in Roseburg and recommended as the world's best corn remedy by Nathan Fullerton and W. F. Chapman.

DILLARD

Mr. and Mrs. J. Nichols visited relatives here several days, returning to their home at Riddle last Wednesday.

Mr. S. N. Parker has been quite sick, receiving a visit from Dr. Miller, of Roseburg, on Wednesday. He is reported better today.

The Noah family went to Ten Mile last Saturday for a week-end visit with relatives, but on account of the high water and land slides they were unable to return home until Tuesday night.

Mr. George Mentzer, of Roseburg, was out Tuesday putting up a large bill board near the depot for the Umpqua Advertising Agency.

The large poplar tree on the railway right-of-way north of the depot, has been cut down by the section crew.

Miss Gertrude Dillard, of Roseburg, returned home Thursday, after spending several days at the home of her aunt, Mrs. S. C. Miller.

Mr. M. Kelley came in Thursday from Roberts mountain and was a guest over night at the Miller home.

The grade road along the east bank of the river from Dillard northward has been closed on account of land slides.

All Dillard is surprised and interested by the announcement of the Laurence family that their father, Geo. B. Laurence, is to wed an old acquaintance at Roseburg today (Saturday), a Mrs. Campbell, who has journeyed, with one of her three sons, all the way from Indiana. They are expected here tomorrow. Congratulations of friends will then be in order.

Mr. and Mrs. A. B. Collier, of Coquille, were the proud parents of a five-pound boy. Mrs. Collier was formerly Miss Kitty Brosi, of this place.

Chan. Brosi, who has taken the contract for setting out the prune orchard on the Standley place expects to start the work soon.

Our school is progressing nicely under the supervision of Miss Callahan.

Mr. and Mrs. Bremner, who have been quite ill, for the past month, are reported as slowly recovering. We hope they will soon be able to be about.

Floyd Wilson and Cecil Acteson were guests at the Baker home in Roseburg Sunday.

PORT UMPQUA WILL ISSUE IMPROVEMENT BONDS

At the last meeting of the commissioners of the Port of Umpqua, Chairman Christie of the committee to secure signatures to the petitions asking he board to issue bonds in the sum of \$200,000 for the purpose of improving the bar, reported that out of the 732 registered voters of the district, 521 had signed the petition. Upon his showing, Commissioner Christie introduced an ordinance permitting a bond issue of the Port of Umpqua in the above amount, which was read for the first time and laid on the table until the next regular meeting of the board, which will be on the first Monday in March. W. P. Reed, J. P. Christie and Attorney C. R. Peck were appointed as a committee to secure a suitable engineer and make other preparatory arrangements. The proposed bonds will be issued in denominations of \$1,000 each, numbered from 1 to 200, bearing interest at the rate of five per cent, payable semi-annually. The first twenty shall mature on July 1, 1926, and thereafter, \$20,000 each year, the last one maturing July 1, 1945. Both principal and interest are payable in gold coin of the United States. The formal order for issuance will be made at the next regular meeting.

PEG O' MY HEART

Perhaps the most interesting dramatic news of the present theatrical season is the final return to the Anders, on Tuesday February 23, of Oliver Morosco's ever popular comedy, "Peg O' My Heart" with Florence Martin in the title role, supported by her excellent Boston Company. "Peg" was cordially greeted here last season, and it is hardly necessary to mention that the play is clean and refreshing, with lots of comedy and pathos, mingled in just the right proportions to make it human. In addition to Miss Martin,

who has the record of playing the chief role in Boston for almost a year, the members of the cast are Madeline L'Estrange, Lillian Kemble Cooper, John Pearson, Edmund Dalby, Fred Tiden and York Erskine.

"Cohen" is still telephoning—and thousands of people are still laughing at his efforts. His latest attempt to call from a public pay office will reduce you to complete helplessness. Whether he really gets the "pretty little number" he wants is a mystery you will only know when this funniest of all "Cohen" records is added to your collection.

One of the best known melodies in music is the legato theme of Moskowskl's "Serenade". This utterly charming composition of the Russian composer has been played with a delicacy and perfection of interpretation seldom equaled even by Prince's expert orchestra.
