

**ALL BUT ONE OF MADEROS ARE BANNED FROM MEXICO BY GENERAL CARRANZA**

Left to right, top: Francisco I. Madero, Jr., the martyred president, and his brothers, Raoul and Carlos. Bottom, Alberto and Evaristo Madero.

Despite the fact that the principles and policies which Carranza stands for are supposed to be the same as those that actuated Francisco I. Madero, Jr., in his fight for the overthrow of the Diaz administration, all the members of the Madero family, with one exception, are prohibited from returning to Mexico. Carranza's reason for this is that the Maderos favored Villa when the break came between the two Constitutional chieftains.

Mrs. J. D. Osborne and Mrs. I. B. Riddle today entertained the members of the ladies aid society of the Christian church at the home of Mrs. Riddle. About 45 guests spent the afternoon very pleasantly, delicious refreshments being served by the hostesses.

One of the most delightful social events of the season was held at the armory last night when the Leap Year Stepping club held its hard-time dance. The costumes worn would have put to shame a hobo convention, the ridiculous clothes of the dancers being a source of merriment the entire evening. The club, although newly organized, has now reached its full membership and will admit no new members. It is composed wholly of married people, there being between 50 and 75 couples enrolled as members. The music was furnished by Ott's orchestra.

Guy Black left on a business trip to Cottage Grove this morning.

Word has been received here from Mrs. Upton, who with her son, Monroe, recently went to Arizona for the benefit of the latter's health, that she is located at 1010 E. McKinley street, Phoenix, where letters and other mail matter will reach her. The many friends of Judge and Mrs. Upton here in Roseburg and other parts of the state will regret to learn that but little improvement is noted in the condition of their son. He is receiving the most expert medical assistance and attention, but the ravages of the disease have already made such inroads on his vitality that he is very weak.

Notice is hereby given that the city improvement bonds of the City of Roseburg, Oregon, numbered from 29 to 39 inclusive, Series "J" have been called for payment and will be paid, taken up and cancelled February 10th, 1916. Interest thereon will cease on said date. Dated this 10th day of February, 1916.

**WHAT A WOMAN OF OUR NATIVE STATE SAYS.**  
Portland, Oregon.—"For a long time I have been so nervous I could almost scream at times, and have had spells that I could not get around. My back pained so at night I could not sleep—doctors did me no good. A lady in Gearhart recommended Doctor Pierce's Favorite Prescription to me so I thought I would give it a trial. I have now used four bottles and am still using it. It has done me much good."—Mrs. D. SHOEMAKER, 280 N. 10th St.

The use of Dr. Pierce's Favorite Prescription makes women happy by making them healthy. There are no more crying spells. "Favorite Prescription" cures inflammation and female weakness. It makes weak women strong, sick women well.

Like an open book, our faces tell the tale of health or disease. Hollow cheeks and sunken eyes, listless steps, sleepless nights, tell of wasting debilitating disease some place in the body. It may be one place or another, the cause is generally traceable to a common source. Get the "Prescription" to-day—either in liquid or tablet form, if you want to better your physical condition speedily. Dr. Pierce's Pellets regulate stomach, liver and bowels.

Questions of Sex?—Are fully and properly answered in The People's Common Sense Medical Adviser. All the knowledge a young woman, wife or daughter should have is contained in this big Home Doctor Book of 108 pages with engravings and color plates, and bound in cloth. By mail, prepaid—on receipt of 3 dimes. Address 603 Main Street, Buffalo, N. Y.

Congressman Gardner and his table showing navy's poor work at target practice. Congressman Gardner is putting up a hard fight for a bigger and better navy. He says the American navy is not only fourth in tonnage, but is less efficient than some other navies. He uses the above table to prove his statement that dire things would happen to Uncle Sam if his guns were called on to shoot straight right now.

**AN OLD RECIPE TO DARKEN HAIR**

Common garden Sage and Sulphur makes streaked, faded or gray hair dark and glossy at once.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.
