Get whiter, lighter bread and more loaves to the sack from High Flight flour. Every sack guaranteed. Our price the lowest on high quality flour. People's Supply Co. 296-ft

Frank L. Moore, representing P. K. Wilson & Son, one of the largest importers and manufacturers of lace curtains in the world, is in the city today showing his line to A. J. Lilburn & Son. Mr. Lilburn bought large quantities from this house when he was buyer for the Lipman & Wolfe firm in Portland, and has

OLD-TIME COLD CURE— DRINK HOT TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold. Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

Stop "dosing" Rheumatism. It's pain only: not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia. Limber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

Try a Tango Sundae at Galls'. 260-ft

For safe deposit vaults see the Douglas Abstract Co. 263-m20

W. A. Diggins and wife leave next week for Walla Walla, Wash., where they will locate.

The first showing of new spring styles in millinery at the Hat Shop Saturday, February 26. A cordial invitation is extended to the ladies to attend. 291-f23

The McClallen hotel will serve a special chicken dinner every Sunday from 12 to 2. Price 35c. Home cooking and a lady cook in charge of the kitchen. 285-f26

Postmaster Kirby has received notices from Washington calling for sealed bids for carrying the mail from Myrtle Creek to Gazley post-office and return for six days weekly from April 1, 1916, to July 1, 1918. —Myrtle Creek Mail.

Holstein Dairy feed composed of alfalfa meal, grains and molasses, will increase the flow of milk and at the same time build up your milk cows in flesh. Get it at the People's Supply Co. 296-ft

Hear Ex-Rabbi Goldman Sunday morning at the Christian church in the story of his conversion. At 7:30 the pastor will speak on "Preparedness", a subject of immense importance at this time. Attend these services.

To place absolutely highest quality goods at your disposal at the very lowest cost to you is our constant aim in all lines. In P. S. C. coffee we give the best quality we can procure, less expensive retailer's profits. Price is 35c per lb., 3 lbs. \$1.00. Every package guaranteed. People's Supply Co. 296-ft

Owing to a confliction in dates, the date of The Industrial club meetings has been changed in the localities of Yoncalla, Sutherlin and Wilbur. Mr. Seymour, who was to have spoken at these places March 2 and 3, will be unable to be present on those dates, but instead will speak at Yoncalla on February 28 and Sutherlin and Wilbur on the 29th.

The Masons of Oakland last night had a very enjoyable meeting following the good roads meeting. As several Roseburg Masons were present at the road meeting they were given a cordial invitation to attend the doings of the lodge hall but on account of the lateness of the hour were unable to be present.

It is possible that a delegation of citizens will go from Myrtle Creek to Roseburg on March 2 to join with Riddle citizens and a delegation of Roseburg business men in urging the county court to make a liberal appropriation for the work on the Roseburg-Crater lake road for this year. Some fifty boosters are planning to go from Riddle.—Myrtle Creek Mail.

FAMOUS SHIP THAT EXPLORED THE ANTARCTIC IS NOW A WRECK

The ruins of the S. S. Scotia, beached at Sully, England.

The fame of the Scotia, which burned in Bristol Channel this month and was beached at Sully, lay in the fact that she carried the Scottish national antarctic expedition to the South Polar regions under the command of Dr. William S. Bruce, where she carried out some valuable work in co-operation with the English expedition under Captain Scott, and German and Swedish expeditions. Following the ill-fated voyage of the Titanic, the Scotia was used to carry out ice observations, meteorology and oceanography in the North Atlantic ocean.

NEW SITE OFFERED FOR HIGH SCHOOL

Editor The News: I respectfully ask space in your columns to express my opinion regarding the building of a high school, believing that a free discussion of this matter shall be of benefit to the entire community.

Various opinions are held by those concerned most in this subject, but there are numerous points upon which all are agreed. Roseburg must have an up-to-date new high school and she must see to it that it is ready for use when school opens in September. The people of Roseburg and vicinity feel the need of a modern high school with all the equipment and conveniences possible. The community should provide a building amid surroundings which would cause our sons and daughters to take pride in the fact that it was their storehouse of those things, the acquirement of which fitted them to successfully combat the world. Since all work and no play is unpopular generally, ample play grounds are a very necessary requirement in selecting a location. All sorts of athletic sports are increasing in favor with both sexes and if we fail to provide for this feature of school life we shall be called all kinds of ugly names by this and future generations of vigorous youth. If any one holds the opinion that the boys and girls of Roseburg, of high school age, dislike base ball, basket ball, tennis and numerous other field sports, just make a few inquiries; then you can judge how great is the necessity for adequate space in which to enjoy these recreative sports.

Many of the high school students today will attend the Agricultural College at Corvallis later. The time to implant this idea of making two blades of grass grow where but one formerly grew is during the high school age, or even earlier if possible. School gardens have proven successful all over the country, especially around Portland, and by no means should a site be chosen where there is not sufficient ground for extensive school gardens.

Now if you agree with me concerning the above, how can the people of this vicinity build a \$75,000 school building upon the site of the Lane school and provide sufficient space for gardens and athletics? The only objection that I have ever heard to larger school grounds has been the additional cost for some. This objection must now drop, for today I am reliably informed that a leading citizen offers a tract of four acres, within fifteen minutes walk of the postoffice, admirably situated for high school purposes, free of cost to the people of this district.

Mr. A. J. Bellows is the man willing to donate so liberally toward the plan of a modern high school with plenty of outdoor room. Mr. Bellows owns quite a tract of land on the west side and is willing that the four acres best suited for the purpose be selected. Any man who

"BUFFALO BILL" IS HALE AT 71st MILESTONE TODAY

CODY, Wyo., Feb. 26.—Col. Wm. F. Cody, "Buffalo Bill," Indian scout, showman and character dear to the hearts of the youngsters of three generations, is hale and hearty at his home here today on this, his 71st birthday.

has the slightest imagination can perceive, after viewing this property, how easily this ground can be used in making the new high school a place of beauty.

If we accept this generous offer, the Lane school site could be sold and the proceeds used in additional conveniences for the new school or the property could be retained for graded school, although there are many who do not think the location suitable for school use.

Our city is growing and if the great things which we are looking forward to are realized it is necessary that those interested in school matters select a site for the new school where students may be freed of the disturbances so frequent in city streets. A school located on the best adapted four acres of the Bellows tract would have all the beauty and charm of college grounds and yet be easily accessible to every one in the district.

I hope that this matter will have the consideration of all those who are to vote on the new school, and that a free discussion of the matter will ensue. If there are better locations to be had or as good at lower rates we should be apprised of the facts in the matter.

Very respectfully,
FOSTER BUTNER.
