H. FAULKNER DIED AT SAN FRANCISCO

H. Faulkner, one of Roseburg's most prominent citizens, died at San Francisco yesterday after an illness of several months. Mr. Faulkner has been in the hospital at San Francisco for the past four months and for some time it was thought that he would recover. Several weeks ago, however, he became very ill and since that time all hopes for his recovery have been given up.

Mr. Faulkner was born in England and came to this country when about 19 years of age. He came to Omaha, Neb., and from there gradually worked his way westward, settling in Roseburg about 25 years ago.

He was employed by the Southern Pacific Company and was known as one of their most valuable and trusted employees. Prior to the time that he accepted a position with the C. P. Company he was employed with the O. W. R. & N. Co.

The body will be brought to this city Wednesday and the funeral will be held Thursday morning at two o'clock from the undertaking parlors

A full account of the meeting from one who is closely connected with the scout work, will be given in The News tomorrow.

Arrested on a charge which was made against him last September, Ray Buell yesterday entered a plea of guilty in the justice court for selling liquor in violation of the law. He was fined \$100 and given 30 days in which to raise the money. The complaint was made against Buell at the time that a number of cases were tried in the fall of the year. Several of the cases were dropped on account of other matters and in order to clear the docket the matter was brought into court yesterday.
