W. E. St. John, of Sutherlin, was in Glendale Tuesday. Mr. St. John is the republican candidate for county commissioner from Sutherlin. He is a man well along in the prime of life and is a practical business man. His policy is, "a thorough business administration of county affairs." He has strong support from his home town, which is a very good recommendation. Asked as to whether he considered the killing off of the saloons in Sutherlin injured the city or caused duller times, he stated that there was no noticeable difference and that business was steadily getting better.—Glendale News.

OLD-TIME COLD CURE— DRINK HOT TEA!

Get a small package of Hamburg Broom Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold. Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

Stop "dozing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot" and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia. Lumber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

Mrs. L. H. Morgan, who has been visiting with Mrs. W. J. Moon, left this morning for Riddle where she will spend a few days with friends before going to her home at Eugene.

All telegraphic communication with Portland has been cut off today, owing to trouble at Rice Hill, where several poles are down from weight of sleet and snow, and trees falling across the wires. United Press dispatches are therefore received via San Francisco. The storm seems to have been general along the coast and has been one of the most disagreeable of the entire winter. Here in Roseburg the slush from the falling snow was from two to three deep, making walking not only very unpleasant, but dangerous on the slippery streets. It has been a very wet snow and extremely unusual for this region. The forecast is for a continuance of these conditions for at least two more days.

Hopes Women Will Adopt This Habit As Well As Men

Glass of hot water each morning helps us look and feel clean, sweet, fresh.

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural, rosy complexion and freedom from illness are assured only by clean, healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place.

Instead of the thousands of stekly, anaemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.
