troops across the border in several places at one time and gradually push the bandits into the southern part of the country where the capture will be more easily effected. The movement of Funston's troops are being guarded with the greatest of secrecy.

Congress has promised to obliterate all partisanship and will keep her hands off the entire question.

Representative Hay, after a conference with Lansing declared that it was his belief that the American troops were now well across the border and in pursuit of Villa and his band. The ministers of Argentine, Colombia and Peru had a conference with Lansing this afternoon concerning the Mexican situation.

**May Grant Request.**

Carranza's proposal to allow Mexican troops to cross the border in pursuit of Mexican bandits may be granted. It became known today that the administration favors the plan.

The army aviators will probably have their first opportunity of proving their worth in this campaign. It is reported that aviators from San Antonio and San Diego are preparing to leave immediately for the front. These will be used for scouting purposes and they will probably prove valuable in locating the bandits' rendezvous in case guerrilla warfare predominates.

been drinking freely. They then went to the Royal Club Restaurant where Gage was accosted by Officer Wilcox, who ordered him to keep lights burning on his car, which was standing at the curb, or take it off the streets.

Gage refused to do either and endeavored to fight with Wilcox. The officer pulled his club and a few blows ended the affray. Gage was ordered to appear before the recorder which he did this afternoon, entering a plea of guilty. The warrants of arrest were not served on the other two until late this afternoon.

For the first time since New Year's eve warrants of arrest have been issued by the city recorder charging drunkenness. The complaint was made out by Marshal Williams against Fred Dillard and Ben Baldwin. Gordon Gage was also arrested on a charge of resisting an officer and upon entering a plea of guilty was fined \$10. It is stated that the three young men returned late last night in an auto from a dance at Edenbower where they had

**CASE MAY BE APPEALED**

Although no definite action has as yet been taken, it is understood that the case of the state vs. R. A. Knipp will be appealed to the supreme court. Mr. Knipp was tried yesterday in the justice court on a charge of killing deer out of season, and was convicted, receiving a fine of \$100 and costs. Mr. Knipp contends that the deer were destroying his property and that the constitution of the state gives him the right to protect his belongings.

An important real estate deal was consummated yesterday through the firm of Rice & Rice, when the property of George Burnett, situated in North Roseburg was sold to George Bryant. The property consists of three improved lots and an almost new residence building. The consideration was in the neighborhood of \$2000.

**VOTE ON SCHOOL BOND ISSUE IS VERY HEAVY.**

One of the most spirited of school elections ever held in the city is in progress this afternoon at the old Armory building, in the vote for the proposed \$75,000 bond issue for the purpose of erecting a new high school building. At the time of going to press 197 votes had been cast, and voting was still rapid. As usual the opposition began work early but those in close touch with the spirit of the election predicted that the issue will carry by a two to one vote. The judges are N. T. Jewett, M. J. Gray, Mrs. George Ritter and A. A. Bellows clerk. The ballot box closes at seven o'clock.

R. A. Knipp, who was the defendant in the action in the justice court yesterday, returned to his home at Tiller this morning.
