**CANDIDATES BALL AT
CANYONVILLE TONIGHT**

A number of the candidates for county and state offices will gather at the candidate's ball, to be given at Canyonville tonight. The affair is one of the biggest ever held in that part of the county and is attracting a great deal of interest, not only on the part of the residents of Canyonville but throughout the surrounding territory. Several of the candidates from Roseburg will be present, as will others from Oakland, Sutherlin, etc.

Elaborate preparations have been made for the event and a good time is expected by all who are looking forward with great anticipation to the event.

**RANCHER ON NORTH UMPIQUA
LOSES HOME BY FIRE**

A. D. Reams, a rancher living on the North Umpqua, had the misfortune to have his home destroyed by fire last night, according to reports which reached this city today.

Mrs. Reams, who has been lying seriously ill at home for some time, was with difficulty removed from the burning building, so rapid was the spread of the fire.

Neighbors who telephoned news of the disaster stated that every piece of furniture as well as every article of food and clothing were destroyed, as the occupants had but sufficient time to leave the building in safety. No insurance was carried by Mr. Reams and the resultant loss will be felt quite heavily by him.

**SECOND ANNUAL R. R.
BALL AT ARMORY TONIGHT**

Great preparations have been made and a large crowd is expected to attend the annual railroad ball which will be given at the Armory tonight. The dance is under the auspices of the four railroad orders, the Order of Railway Conductors, Brotherhood of Locomotive Engineers, Brotherhood of Railroad Firemen and Brotherhood of Locomotive Firemen and Engineers.

The Armory has been beautifully decorated and presents a very charming appearance. Many outside residents have come from various parts of the state to be present and all anticipate a good time.

NOT MEMBER OF THE TRUST

We do not belong to the Grocers' Trust, and are consequently excluded from purchasing from the car of oranges arriving in Roseburg. But our prices on oranges and all other commodities makes every day Bargain Day at the Peoples Supply Co.

This is merely one out of hundreds of instances wherein the influence of the trust is used to intimidate wholesalers that would sell to the Peoples Supply Co.

Our business policy is based on small profits and large sales. With our institution removed there would be a very material advance in retail prices of groceries in Roseburg.

We serve your interests best.

Attorneys J. A. Buchanan and Dexter Rice and Stenographer Miss Johnson, returned this afternoon Gold Hill, where they took depositions in the Reidel will case.

An accident which might have resulted seriously occurred near Dixonville this morning when the team on the outgoing stage became frightened and ran for several hundred yards. Fortunately the stage did not turn over and none of the passengers were hurt. Walter Simmonds, the driver, suffered an injury of the foot when he reached for the brake from his position on the ground, the wheel passing over his foot. He had dismounted in order to place mail in one of the mail boxes when the team started and he immediately jumped to the brake in an effort to stop them. He met the incoming stage a short time later and changed places with this driver, coming to the city and having his injury dressed.

A. P. Fenton, of the Indian service, returned to Roseburg this afternoon, after an absence of several months. Most of the time Mr. Fenton has spent in the east and reports conditions there better than ever before. On his return he was in El Paso at the time the Villa bandits made their raid on Columbus, and he says that the excitement in El Paso was very great. For some time it was thought that the Mexicans intended attacking the larger city, but it is believed that this was averted by the action of the American soldiers who immediately showed fight to the Villistas. In traveling through the border country it is necessary to extinguish all lights on the trains, as the windows will be broken by bullets from Mexican bandits unless this is done.

Finding "The One Person" in a Whole Cityfull!

ONE person will buy your property; One person will rent your house or apartment; ONE person will give you employment.

How long would it require to find that "one person" without help? Could it be accomplished at all?

The classified advertisements help you to find the ONE PERSON you seek—because that one person, in most instances, expects to get in touch with you through the classified advertising columns. Self-interest makes your classified advertisement IMPORTANT to this one person.

Your "ad" will be read by the wrong people, of course—by many of them. But, with a little persistence on your part, it will come to the notice, unfailingly, of one person to whom and for whom it was written.

That's the SERVICE our classified columns offer to you.
