NOT MEMBER OF THE TRUST

We do not belong to the Grocers' Trust, and are consequently excluded from purchasing from the car of oranges arriving in Roseburg. But our prices on oranges and all other commodities makes every day Bargain Day at the Peoples Supply Co.

This is merely one out of hundreds of instances wherein the influence of the trust is used to intimidate wholesalers that would sell to the Peoples Supply Co.

Our business policy is based on small profits and large sales. With our institution removed there would be a very material advance in retail prices of groceries in Roseburg.

We serve your interests best. PEOPLE'S SUPPLY CO. Wholesalers to the Consumer.

IF BACKACHE OR KIDNEYS BOTHER

Eat less meat and take a glass of Salts to flush out Kidneys—Drink plenty water.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush out the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

The regular meeting of the Mental Culture Club will be held on Tuesday afternoon in the parlors of the Commercial club, with a change in the program from the one as prepared in the Year Book. A discussion of current events will then be taken up by the members, after which the afternoon session

will be devoted to short papers on Hidden Biographies. The regular schedule for the day has been abandoned on account of the absence of several members who were to take the lead. The meeting for next week will be the occasion of the annual election, when it is hoped a full and complete membership will be present.
