## FAREWELL EVENT AT CALADERA

The largest and smartest event of the social season up to the present date, was the farewell social given in the hall over Mynatts store in Greens, in honor of Mr. and Mrs. J. P. Pemberton, who will leave next Saturday to make their permanent home at Geneseo, Illinois, which was their residence before they came to Oregon about two years ago, and where the parents of Mrs. Pemberton now reside. The young couple have made many warm friends in the community since living there, and it was to attest the regret at their departure, that this social and festive occasion was arranged.

Throngs of merry mazers gathered for the occasion from every point within several miles, and the evening was delightfully passed in music and games, with most excellent and enticing refreshments served. The large table on the elevated stage from which the dainties were served, was exquisitely decorated with spring blossoms surrounded by attractive buds, every variety of early spring flowers was used and artistically arranged, the ensemble producing the effect of a wild flower garden. The lights throwing their softened rays upon the decorations and merry makers, producing an artistic panorama such as had never been witnessed here before. One of the main features of the evening was the splendid loganberry juice raised in this neighborhood, and prepared by the fairer sex.

The young matrons and maids, with their smart looking escorts, made it pleasant for every one present and there was a generous sprinkling of young bachelors who presided and conducted the affair, and assisted in serving. After the local and invited guests were all there, and the greeting and introductions over with, a short but very interesting program was carried out, beginning with a duet on the piano by Mrs. Fairbanks, the local teacher, and Miss Hazel Fancher, of Dillard, who was an invited guest. This was so heartily enjoyed that a prodigious encore brought another selection. During the evening these two ladies rendered several selections which were very pleasing. Miss Nora Landers spoke a very appropriate piece in a feeling manner, and Miss Belle McAllister sang several beautiful and touching songs, holding everyone entranced with the sweetness of her voice and words. L. R. Mynatt surprised those who knew him best by his rendition of the famous Irish song, "The Hat Me Father Wore". The program ended with a short talk by M. J. Shoemaker, of Roseburg, who with his wife had been honored with an invitation.

Under the skillful direction of A. Bloom, Wm. Pemberton, Jr., and Dale Wilson, cakes, ice cream and loganberry juice were then served in unstinted quantities and of the most delicious quality. It was midnight when the last of the guests reluctantly left, adding their wishes to those preceding them, for a safe and pleasant journey to the young couple so soon to leave.

A count of those present showed that 83 were there, the largest assemblage ever gathered at a social meeting in the history of the hall, and this will certainly always remain a bright memory with those in whose honor the event was given, and some day may induce them to again return to the land where winter's hardships are unknown.

### PAULINE FREDERICKS SCORES BIG HIT IN "ZAZA" AT ANTLERS

One of the very best and strongest photoplays ever seen in Roseburg is "Zaza," with Pauline Fredericks in the title role. "Zaza" came quietly, without any flourish of trumpets, but if ever a picture deserved to bring advanced prices, it is this one although the usual every-day prices prevail.

Tuesday and Wednesday are Triangle days with the usual big double program. The five reel feature is entitled Sable Lorcha, and deals with a Chinese tong war and its many complications. Following this is a fine two-reel Keystone comedy, "His Father's Footsteps" in which the favorite comedian Ford Sterling, keeps everybody in one constant roar of laughter.

There are over 5,000 feet of actual battle scenes, mobilizing of the armies, the work of the Red Cross and many other interesting and sensational features.

In addition to the war pictures there will be a four reel Paramount feature entitled "Blackbirds," and a

## BOB ASHWORTH IN RACE FOR ASSESSOR

Robert Ashworth, better known to his many friends as "Bob" has been persuaded to make the race for county assessor on the democratic ticket and this morning made known that he would enter the race.

Mr. Ashworth has had many years experience in the business of assessing, having served for three years under Assessor Gillette and six years under George Staley, again for two years he acted as deputy under Frank Calkins.

Since the time he spent as deputy assessor Mr. Ashworth acted as deputy sheriff under B. Fenton, and in this capacity made a host of friends.

Mr. Ashworth is a native of the state of Arkansas, but at an early age moved to this state, and since 1870 has been a resident of Douglas county. He has been a life-long democrat, but claims to have as many friends in the republican party as he has in the democratic.

It is not considered likely that Mr. Ashworth will have any opposition in the primary election and will make a strong bid for the voters of this county after the elimination contest has been decided.

### SPRAYING SCHOOL FOR BROWN ROT

The public spraying school for brown rot of prunes conducted by Professor W. S. Brown of the extension division of the Oregon Agricultural College, announced previously by the writer, will open with a lecture meeting Tuesday, March 21, at 9:30 a. m., in the Winston fruit district. Within a few days from this meeting when the fruit bud and weather conditions are satisfactory, the public spraying demonstration will follow on the co-operative experimental orchard plots of Dr. G. A. Bradburn and L. B. Skinner & Son orchards.

The first spraying for brown rot will be with Bordeaux mixture 4-50 just previous to the opening of the blossoms, but after the winter buds are well out as a preventative of blossom blight. Due to the advance in the price of blue stone, lime-sulphur at a dilution of about 1 to 25 may be used instead at this blossom stage.

County Fruit Inspector.
