Grover C. Alexander, at the right, facing camera.

Grover Cleveland Alexander, the Phillies' star pitcher and the premier boxman of the National league, made his first trip in an aeroplane recently with Johnny Green. Manager Moran was very reluctant about letting Alexander make the trip. ### GLENGARY NEWS

Through the efforts of Mrs. J. J. Betts, president of the Glengary W. C. T. U., the district was favored with the presence of two very earnest workers for the cause of temperance, on Sunday afternoon. Mrs. Helen Harford, national organizer of the W. C. T. U., assisted by Mrs. L. M. Tutill, vice-president of the county, delivered a thoroughly convincing lecture to a very interested audience.

Mrs. Harford's calm and impressive manner of delivery drew to her side many who sympathized with her in the great question confronting the public today. Through her influence a large number of pledges were given by the Glengary people, and a more sincere interest was kindled among the members of the Union. During the afternoon the following appropriate vocal selections were rendered: "Someone is Waiting for You," by Miss Nina Marshall; "The Lord is My Shepherd," by Mrs. J. J. Betts and her daughter, Miss Marguerite Lacey, and "The Battle Song," by Mrs. Harford and Mrs. Tutill, accompanist, Miss Dorothy Myratt.

An announcement was made to the effect that the next regular meeting of the W. C. T. U. will be held on Wednesday, April 19th, at the home of Mrs. F. I. Betts, everyone is cordially invited to attend.

Walter L. Fisher (left) and Congressman William Borland.

Congressman Borland of Missouri has introduced a resolution in the lower house directing the federal trade commission to make an investigation of the charges that the packers monopolize the live stock markets, and, while boosting prices to consumers of their products, force down the prices they pay for beef cattle on the hoof. Attorney Walter L. Fisher of Chicago, representing the American Live Stock association, is fighting the packers.

### Finding "The One Person" in a Whole Cityfull!

ONE person will buy your property; ONE person will rent your house or apartment; ONE person will give you employment.

How long would it require to find that "one person" without help? Could it be accomplished at all?

The classified advertisements help you to find the ONE PERSON you seek—because that one person, in most instances, expects to get in touch with you through the classified advertising columns. Self-interest makes your classified advertisement IMPORTANT to this one person.

Your "ad" will be read by the wrong people, of course—by many of them. But, with a little persistence on your part, it will come to the notice, unfailingly, of one person to whom and for whom it was written.

That's the SERVICE our classified columns offer to you.
