Make YOUR Summer Days Play Days—
Get Out Into The Open

SPRING and Summer are beckoning! Don't stay cooped up in the house—it isn't necessary. In over 70,000 homes the day's cleaning is done in an hour after breakfast. The happy hum of the motor; the whirling brush of the Frantz Premier have finished the day's cleaning in these homes. Every room is spick and span and the home is as bright, clean and healthful as the cool air of the woods.

The dirt-devouring nozzle of the Frantz Premier has gone into every nook and corner, over every rug and carpet, easily, smoothly and efficiently. Not an atom of dirt or grit, not a thread, scrap or bit of lint have escaped it.

These 70,000 good housekeepers have found that the Frantz Premier is their best friend in the hot, dusty days of summer, because it leaves them the best part of the day for enjoyment. Open doors and windows (even tho screened) admit dust and dirt from the unwept streets. The way to clean easily and economically, the way that leaves you time to laugh and sing, to swim and walk, to study and play is the Frantz Premier way.

The Frantz Premier is more than a mere suction or vacuum sweeper. It is an electrically operated cleaner weighing only nine pounds, and it's more

effective than if it weighed ninety. Its light weight is made possible by aluminum castings throughout; a sturdy, compact motor; and the elimination of all unnecessary parts. The light and convenient special tools make it easy to aerate and clean portiers, curtains, wall coverings, upholstered furniture, clothing, bedding, etc. A complete set costs only \$7.50.

We will gladly demonstrate it on your rug. See us today or call us on the phone. Let us show you a Frantz Premier in action—You will have more time to spend on the porch and put in the open.

ORGANIZE LEAGUE FOR PRES. WILSON

Prominent Democrats Held Meeting Last Night.

TEMPORARY OFFICERS ARE ELECTED

Will Meet at Court House Monday Night at Which Time Permanent Officers Will be Elected and Organization Perfected.

A number of prominent Democrats met last night at the Umpqua hotel and formed an organization which will be known as the Woodrow Wilson League. The organization is similar to that which has been perfected in Portland, Eugene, Albany and other cities. Mr. G. I. Harry, state organizer, being present and taking charge of the business.

The league will not use its influence for any office other than the president of the United States, but will put forth every effort to secure the re-election of Woodrow Wilson to that position. Under the rules it is not for Democrats, but is for every person who is a friend of Woodrow Wilson and who desires to see him re-elected to office.

The meeting had not been advertised notice being given only by word of mouth and, consequently the crowd was not as large as could have been desired, but was large enough to attend to the business at hand. The organization last night was only temporary and the officers elected will serve only until such a time as a more complete association can be formed. R. K. Turner, receiver of the local land office was elected temporary chairman and Glenn V. Wimberly was appointed to the office of temporary secretary.

On next Monday night another meeting will be held at the court house at which all Wilsonites are urged to be present and assist in the formation of a permanent league which will prove a power in the state. There are no charges for membership, the support given being in no way financial. The meeting will be called promptly at 7:30 and at this time permanent officers will be elected and the organization perfected.

There is a movement on foot emanating from several prominent and wealthy Democrats in the city of Portland to organize a Wilson league which will be composed of 25,000 residents of the state of Oregon and to this end they are urging the forming of leagues throughout the entire state. At the present time they have succeeded in gaining a

large number of supporters in the northern part of the state and are now calling on the friends of the president in this part of Oregon. WAR AGAINST VILLA AT STANDSTILL

WASHINGTON, April 20.—The Carranzistas are marching southward from Chihuahua, the official advices said, but their number and object are not revealed. They are reported as heading for Parral. The object of General Scott's trip to San Antonio, is to lay the ground work for the withdrawal of the American troops from Mexico, is believed here today. The hunt for Villa is at a standstill. Funston desires to enlarge the expedition, as the Parral incident showed the danger of further operations.

Funston today sent Secretary Baker an official report from Pershing, detailing the hostility of the Carranzistas. It revealed that the Carranzistas were at Machiviva at the time of the attack there, but he did not mention the consequences of the fight. He stated Major Howse was unable to punish the offenders, owing to the conditions governing the conduct of the expedition. All of the expeditionary force is now north of Satevo.

SAN ANTONIO, April 20.—The Mexican expedition will remain at a standstill until Scott authorizes the changes in the campaign plans which Funston proposes, the general stated today. Pershing reported that further campaigning south of Satevo will be impossible under the present plans, as even the natives there are starving, and Americans would suffer from scarcity of water and the

horses from lack of fodder. The army train went into the interior today over a new route toward Dublin.

Mrs. Helen Harford state organizer of the W. C. T. U. left this morning for Wilbur where she held a meeting this afternoon.

DIAZ AGENT IN U. S. DECLARES FELIX IS UNCLE SAM'S FRIEND

W. E. D. Stokes.

"Felix Diaz is in Mexico with 23,000 men at his call, but he is entirely friendly to the United States," says W. E. D. Stokes, New York millionaire, who is the representative of Diaz in this country. Stokes says Diaz was offered an immense sum of money, unlimited arms, and equipment and other inducements by Germany if he would foment revolution in Mexico, but that he declined.
