

WORLD PROBLEMS

THROUGH NEW EYES

World problems are being presented by a number of speakers in the First Methodist Episcopal church in the pre-Easter service this week.

Wednesday night, Mrs. A. S. Huey, Prof. F. B. Hamlin, Miss Lent, Mrs. M. H. Payne, Mr. E. H. Rosenberry and Mrs. A. J. Goddes gave many interesting and illustrating facts.

Last night the program was given by Mr. A. C. Marsters, Mr. Lawrence Goodburn, Miss Clara Wines, Miss Ethel Yates, Mrs. G. A. Burchard and Mrs. S. E. Momminger.

Do not miss tonight's program. A high grade stereopticon will be used to show Hoffman and Tissot pictures of the Life of Christ.

A silver offering will be taken. Everybody welcome.

TO THE VOTERS OF DOUGLAS CO.

I wish it expressly understood that I shall, if elected county commissioner, stand for an equal distribution of the road fund, giving to each road district its just proportion of money due it for road purposes.

Very respectfully, J. T. BRIDGES. (pd. ad.)

"FRUITS OF DESIRE" AT THE MAJESTIC TONIGHT

Patrons of the Majestic theatre will welcome with delight the announcement of the appearance on Saturday, April 22 of Robert Warwick, the "matinee idol" of the screen in the new World Film feature, "The Fruits of Desire".

This picture is an adaptation of the noted American novel, "The Ambition of Mark Trutt," and reveals a story that is bound to enthral man, woman and child. It is a man's story because it deals with the great

portions of steel mills and the relentless upward fight of a man who makes material success his goal. It is a woman's story because of the powerful love interest that runs through it, and the ultimate triumph of love over all worldly ambition. It is a picture that will delight the young because of its scenic variety and the clean, wholesome but thrilling onward sweep of its narrative.

LAND

To land seekers who want to secure land that is close to Roseburg, on good roads, with city water and electric light, I suggest that they let me show them Laurel Crest ranch. This is a ranch of 2500 acres lying within 3 or 4 miles of Roseburg. The soil is rich and well watered and is suitable for stock, dairying, fruit or general farming.

Mrs. W. W. Thacker returned to her home in this city yesterday after visiting for several days with relatives at Medford.

DRINK HOT WATER BEFORE BREAKFAST EVERY MORNING. Hopes every man and woman here will adopt this splendid health habit. Says a glass of hot water with a teaspoonful of limestone phosphate in it washes poisons from system, and makes one feel clean, sweet and fresh. Why is man and woman, half the time, feeling nervous, despondent, worried; some days head-achy, dull and unstrung; some days really incapacitated by illness. If we all would practice the drinking of phosphated hot water before breakfast, what a gratifying change would take place. Instead of thousands of half-sick, anaemic-looking souls with pasty, muddy complexions we should see crowds of happy, healthy, rosy-cheeked people everywhere. The reason is that the human system does not rid itself each day of all the waste it accumulates under our present mode of living. For every ounce of food and drink taken into the system nearly an ounce of waste material must be carried out, else it ferments and forms ptomaine-like poisons in the bowels which are absorbed into the blood. Just as necessary as it is to clean the ashes from the furnace each day, before the fire will burn bright and hot, so we must each morning clear the inside organs of the previous day's accumulation of indigestible waste and body toxins. Men and women, whether sick or well, are advised to drink each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it, as a harmless means of washing out of the stomach, liver, kidneys and bowels the indigestible material, waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. Millions of people who had their turn at constipation, bilious attacks, acid stomach, sick headaches, rheumatism, lumbago, nervous days and sleepless nights have become real cranks about the morning-inside bath. A quarter pound of limestone phosphate will not cost much at the drug store, but is sufficient to demonstrate to anyone its cleansing sweetening and freshening effect upon the system.

Finding "The One Person" in a Whole Cityfull! ONE person will buy your property; One person will rent your house or apartment; ONE person will give you employment. How long would it require to find that "one person" without help? Could it be accomplished at all? The classified advertisements help you to find the ONE PERSON you seek—because that one person, in most instances, expects to get in touch with you through the classified advertising columns. Self-interest makes your classified advertisement IMPORTANT to this one person. Your "ad" will be read by the wrong people, of course—by many of them. But, with a little persistence on your part, it will come to the notice, unflinchingly, of one person to whom and for whom it was written. That's the SERVICE our classified columns offer to you.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat, which clogs Kidneys, then Back hurts and Bladder bothers you. Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless, inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who suffer in overcoming kidney trouble while it is only trouble.
