### EZRA MEEKER STARTS ON 4th TRIP ACROSS CONTINENT

WASHINGTON, May 12.—It was the same old "limousine" but a modern ox-less chassis, that the same old Ezra Meeker, 85-year-old

transcontinental traveler, hauled out of its shed here today to look over in preparation for Ezra's fourth jaunt from coast to coast.

Meeker calls his renovated vehicle a "schoonermobile". It's all of that. The top is the same, label-covered prairie schooner top which Ezra's oxen have dragged three times over the roads between here and the Pacific. Under it is an up-to-date, motor-driven chassis.

Within a few days Meeker starts for Olympia, Wash., a distance of 2,560 miles. Meeker is the original triple-exponent and proponent of a national coast-to-coast highway. He expects to drive over one before Old Man Time gets him.
