A. HENRIKSEN, CANDIDATE FOR COUNTY COMMISSIONER

To the voters of Douglas County: As the closing days of the primary campaign are drawing near, it is expedient that the electors of the county decide upon those for whom they will cast their ballot next Friday. For this reason I deem it proper that some reasons be given why I ask the support of my candidacy, and I therefore issue this statement.

I am a candidate for the office of commissioner, and if elected to this important office, will serve the people with fidelity and courage, striving to give them a business administration which will permit of progress and development coupled with economy and efficiency. For more than thirty years I have been engaged in farming, stockraising and general mercantile business, and have been successful in all of these pursuits through giving them close attention, and I believe such business management should be carried into the larger affairs of the county.
