HOW IS THE ELECTION
COMING OUT THIS YEAR?

Would you like to know the out-
come of the presidential election in
November? If so, we can supply you
the basic information just about as
well now as on the second Wednes-
day in November when we expect to
print the detailed returns. Here is
the story, says the Boston Herald.

Hughes is winning in a walk. The
progressive party is not only about
to abandon its organization, but it
will formally bequeath its possessions
to the republican organization.
Roosevelt himself is coming out for
Hughes. But that will be only an-
other instance of its never raining
but when it pours.

From the day of Hughes' nomi-
nation to the present the drift has been
all in his direction. Have you seen
anybody who voted for either Taft or
Roosevelt four years ago who will
not now vote for Hughes? There are
very few, if any, such people. And
the combined supporters of these
candidates were then in an over-
whelming majority.

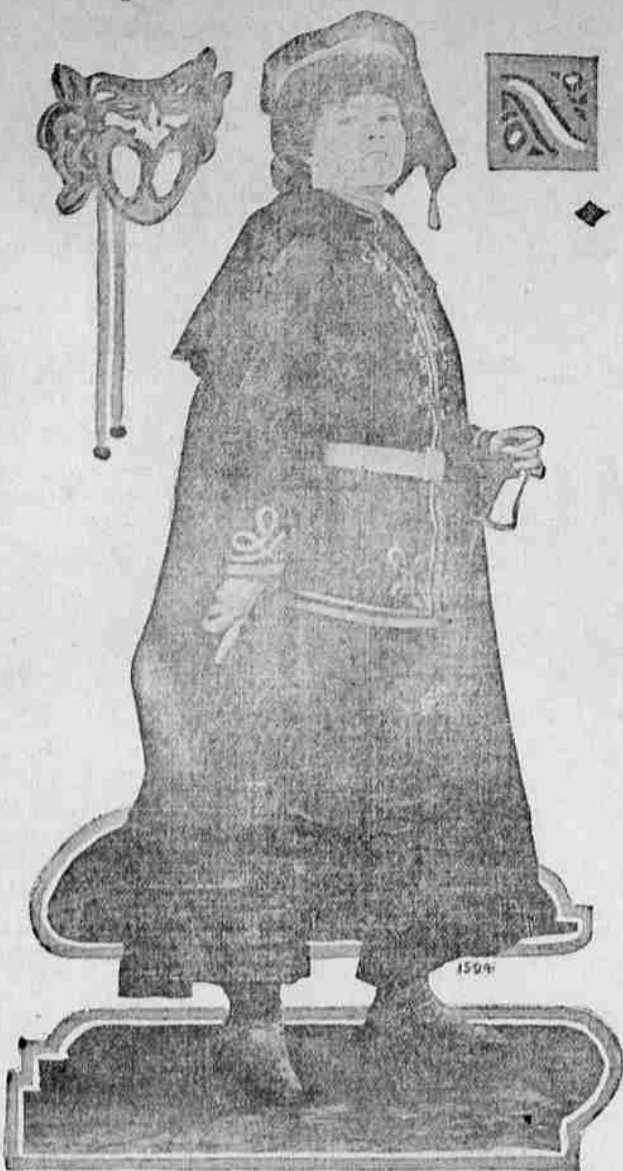

New York will decide the election,
and New York is now casting repub-
lican majorities with unbroken regu-
larity. The west is more friendly to
Wilson than the east, but the states
of the great valley are too established
in their republicanism to break away
in a presidential year. Foreign com-
plications might tell in the presi-
dent's favor, but they are hardly
likely to assume such a peculiarly
dramatic status as to counteract the
tide now running strongly against
him.

The country has accepted its dem-
ocratic president a second consecu-
tive term since Andrew Jackson. It
shows little disposition to break that
long record of restrained enthusiasm
for democratic executives by giving
as. Wilson a second term in this
year of grace.

It is only to be expected that the
Japanese "bugaboo" will show itself
with unconfirmed reports of Japs as
heading some of the Mexican regi-
ments. There are soldiers of fortune
in every war, as witness the Ameri-
can aviation corps now in the service
of France. There is little danger of
Japan's efforts on the side of the
Mexicans going further than individ-
ual struggle.

Never again can the black race say
the white men do not care for them,
when they remember that an army
of 200,000 white soldiers was
raised to march on the prison
where twenty-odd negroes were con-
fined and liberate them by force, and
with no lynching of any of them the
intention.

"Captain" Marguerite Clark

MARGUERITE CLARK, FAMOUS PLAYERS-PARAMOUNT STAR
Captain Marguerite Clark, the diminutive star in the Famous Players pro-
duction of Paramount Pictures who "commands" the interests of an army of
millions of photo play fans, will be a real captain in the picture "Silks and
Satin."

The Mexican minister of war says
the people down there are peacefully
disposed, but fighting mad. In that re-
spect they do not differ much from
those on this side of the border, ex-
cept that we have a better excuse
for being mad.

Roseburg citizens showed their hu-
man interest in the passing through
of the soldier boys from other parts
of the state, by giving them a hearty
welcome and godspeed at the depot.

COUNTY JUDGE PERFORMS
MARRIAGE CEREMONY

John L. Standefer, of Los Angeles,
and Theodosia Clay, of Douglas county,
were united in marriage this after-
noon, County Judge R. W. Marsters
officiating. Mr. and Mrs. Standefer
will leave this evening for Los
Angeles where the groom holds a re-
sponsible position and where they
will make their future home.

DRAIN JUSTICE OF THE
PEACE IS APPOINTED

County Judge Marsters today ap-
pointed Tom Krewson, of Drain, as
justice of the peace of that precinct.
Mr. Krewson is a prominent resi-
dent of Drain and the petition pre-
sented to the judge was signed by sev-
eral hundred.

PNEUMONIA PROVES FATAL

Eleven-year-old Evelyn Lanerson
died this morning after an illness of
several months. During the winter
she suffered from an attack of pneu-
monia the effects of which was the
cause of her death. She was a step-
daughter of Jess Russell, of West
Roseburg, at whose home the death
occurred. The funeral will be held
tomorrow.

VALUE PLACED ON DAMAGES.

In a decision rendered by Judge
Hamilton today, the Willamette Pa-
cific railroad was ordered to pay \$2-
100 as damages for right of way for
the railroad. The action was brought
by the company for the condemnation
of certain lands and the fixing of
the valuation. The amount as set
by the judge is considered a fair
amount to pay the land holders af-
fected.

TEACHERS TAKE EXAMINATIONS

About sixty teachers from various
parts of the county today took the
teachers' examinations at the Ross
school. The questions were much

the same as usual and are an excel-
lent test for the fitness of the in-
structors in every respect.

STATE VETERINARIAN REPORTS
BAD DISEASE AMONG CATTLE

An outbreak of blackleg is report-
ed to the state veterinarian from
near Roseburg, in a herd of about
sixty calves, and a supply of vaccine
has been sent with which the stock-
men will try to prevent its further
spread.

As the disease is transmitted from
the ground to the animals, the places
becoming infected are dangerous.
The disease kills about 85 per cent
of the animals that get it, and those
that live are valuable only for their
hides.

State Veterinarian W. H. Lytle
has just returned from Hoppner, in
eastern Oregon, where he investigat-
ed a mysterious poisoning of horses
that has cost the horsemen of that
country more than \$50,000 in the
past few years.

LOCAL COMPANY C. A. C.
WILL CELEBRATE FOURTH

The boys of the local coast artill-
ery company are expecting to hold
a celebration at Winchester on the
Fourth, providing that no mobiliza-
tion orders are received in the mean-
time, and have arranged for a very
interesting program which will be
published tomorrow. They will hike
over to Winchester on Monday night
and pitch their tents, and will mount
and maintain guard all night. Citi-
zens are invited to come over and
visit the camp and enjoy the pro-
gram.

FOURTH COMPANY COAST
ARTILLERY WANTS RECRUITS

Orders have been received by Capt.
J. A. Buchanan, commanding the 4th
company coast artillery corps, to re-
cruit the company to 100 men im-
mediately, with a view to Mexican
service. High military authorities be-
lieve that the order will come soon.
The armory will be open every even-
ing this week, and enlistments will
be received at any time. Those ap-
plying now will get in on a three-
year enlistment, but for those wait-
ing until after July 1, the enlist-
ment will have to be for six years.
A good cook is wanted, and also a
young man able to do typewriting, for
company clerk. Now is the time to
enlist.

If a call for Mexican service should
not come soon the Fourth company
will in any event attend the annual
drill at Fort Stevens in July, leaving
Roseburg on the 15th. All who join
now will be entitled to attend this
encampment on full pay.
It is believed to be almost cer-
tain that the coast artillery com-

panies of Oregon will be called to
the Mexican border soon. In that
case the Roseburg company will
want about fifty more men to recruit
it to full war strength. Anticipat-
ing the call which he thinks will be
made, Capt. Buchanan is preparing a
list of those men who do not want to
enlist except for service at the front,
but who do want to enlist in case the
company is called out for duty in
Mexico. He desires all who contem-
plate enlisting for service in Mexico,
in case of a call for men, to commu-
nicate with him at once.
