CITY NEWS.

entire journey was made without accident of any kind and no tire trouble.

A broken brake shoe on one of the coaches of train No. 15, arriving in this city at 9:35 a. m., caused a short delay this morning while repairs were being made. The brake gave way as the train was being brought to a stop after pulling into the yard. Had the piece of metal become entangled under the wheels the coach might have been derailed, but luckily it fell between the rails and tore

up the dirt between the tracks for a considerable distance before the train was finally stopped.
