Beautiful Bust and Shoulders
are possible if you wear a scientifically constructed Bien Jolie Brassiere.
The drugging weight of an unconfined bust so stretches the supporting muscles that the contour of the figure is spoiled.
BIEN JOLE BRASSIERES
put the bust back where it belongs, prevent the full bust from having the appearance of flatness, eliminate the danger of dragging muscles and confine the flesh of the shoulder, giving a graceful line to the entire upper body.
They are the faintest and most serviceable garments imaginable—come in all materials and styles: Cross Back, Hook Front, Surplice, Bandeau, etc. Boned with "Walohn," the rustless boning—permitting washing without removal.
Have your dealers show you Bien Jolie Brassieres. If not stocked, we will gladly send him, prepaid, samples to show you.
