### WHAT OUR NEIGHBORS IN CALIFORNIA SAY.

Pasadena, Cal.—"I want to extend to you my heartfelt thanks for the benefits derived from the use of your medicines, also for the kind and good advice obtained. I am a proud mother.

"I had been a great sufferer; three times I was given up to die—the last time being four months ago. I doctored with several doctors but obtained no relief. Was told that an operation would effect a cure, so I submitted to one, but this proved like all the medicines I had taken—not beneficial. I obtained, and started at once taking 'Favorite Prescription.'

"Four months ago the doctors and nurse said it would be a year or more before I would be able to do my housework, and, of course, I thought as myself as I was not able to walk across the floor for several weeks. I am now able to do my housework and to care for my children and I do not feel as though I could ever thank you enough for the benefits I have received."—Mrs. MAMIE L. KIPP, 214 South Pasadena Ave.

Why should any woman continue to worry, to lead a miserable existence, when Dr. Pierce's Favorite Prescription is sold by druggists, in either tablet or liquid form?

Sick people are invited to consult Dr. Pierce by letter, free. All correspondence is held as strictly private and absolutely confidential.

Send three dimes (or stamps) for mailing charges to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., and you will receive a copy of the "Common Sense Medical Adviser," all charges prepaid.
