SOME GOOD ADVICE

TO ADVERTISERS

Read It All Through!

There is no other space in a newspaper that contains as much *real value* to the reader and will result in saving money and time to him or her than the advertising columns. The "News" would not feel like asking its patrons in giving publicity to their merchandise, if it did not appreciate the value of this space for its own use. Advertisers who buy space in the

Evening News

(daily,) and the

Umpqua Valley News

(Semi-weekly)

can be assured that their notices will go into the best homes of the county and more of them than at any previous time in the history of this publication. The management can confidently assert that no other paper in the county has as large a circulation among people who pay for it regularly—and that is what makes the best customers. Extra features are being arranged for during the coming year which will add to the value of the "News" as the best home journal in Douglas County.
