LOCAL SOCIALISTS GO ON RECORD OPPOSING WAR

Militarism is Denounced as Vicious Propaganda—Copies Sent to Oregon Representatives.

Resolutions adopted by the Roseburg local of the Socialist party, having 45 dues-paying members in good standing, at its regular meeting on February 18, 1917, in opposition to the passage of the Hay-Chamberlain bill.

WHEREAS, We deem the passage of the Hay-Chamberlain bill a vicious, un-American, undemocratic, and capitalistic piece of legislation; and, WHEREAS, The war department, by the issuance of circular No. 27, has placed in force section 79 of the Hay-Chamberlain bill, and has there-by established compulsory military service upon male citizens of the United States between the ages of 18 and 45 years; and,

WHEREAS, President Wilson in the month of October, 1916, publicly stated through his private secretary, Mr. Tamm, that he believed that section 79 of the Hay-Chamberlain bill was ill-considered and that the same should be repealed at the earliest possible date; and,

WHEREAS, We believe that powerful financial interests, influenced wholly by selfish motives, are responsible for the preparation and passage of this bill; and, WHEREAS, These same financial interests, not only in the United States, but also in Europe, are now using their vast influence through the press to involve the people of the United States in the dreadful catastrophe of the European war; and,

WHEREAS, We firmly believe that war and its concomitant spirit of militarism are simply vicious and unsocial survival from past ages of savagery and barbarism, and that the real and lasting progress of mankind is not by way of war and its wholesale destruction of life and property followed by world-wide disintegration of society, but that it lies rather along the path of peaceful industry and the social interaction of the civilized people of the world; now therefore, be it

RESOLVED, That we vigorously condemn the passage of the Hay-Chamberlain bill and its plutocratic encroachment upon the liberties of the American people, and do hereby express our determination to resist with all our power and influence the enforcement of this reactionary and undemocratic law, and do hereby demand that it be immediately repealed; be it further

RESOLVED, That we demand of our representatives in congress and in the senate that they take a firm and persistent stand against any and all attempts that may be made to involve these United States in the European war by a declaration of war against Germany and its allies, for by such a course the privileged few would be given practically unlimited opportunities for graft and corruption of the public function of government; be it further

RESOLVED, That a copy of these resolutions be sent to the president, that two copies thereof be sent to

Senator Lane, one to be presented to the Oregon delegation in congress and the other to be presented to the war department, that copies be presented to the press for publication, and that a copy of these resolutions be made a part of the minutes of this local.
