SHORTER SLOGANS ARE ADVISED

We never thought when we started the contest for carnival slogans that it would be necessary for us to make restrictions, but this has become necessary on account of the great number which have been pouring into the office. We are over a week behind with little chance of catching up for some time. But in spite of all that we are certainly glad to get them and are anxious to see them continue in greater numbers than before.

There are, however, several suggestions to make to those who desire to submit slogans. They should not be longer than four or six lines at the most and oftentimes the single line makes the most preferable slogan. Take for instance Portland's latest slogan, "For you a rose in Portland grows". Short but to the point is what is desired. The committee cannot use poems of any length, as they will want something they can print on their stationery, can teach to the crowds on the streets, can use for banners in parades and something which will carry the carnival spirit.

It is plainly seen that the long verses cannot be used for this purpose even though they are exceptionally well written, so slogan writers are advised to make their mottoes short at the same time giving something which carries the carnival spirit.

Here are a few which have been received within the past few days: A place is known, by its yearly fame. Roseburg is the place by name. Strawberries are the attraction in May, you know. We'll all join in and about the word "go".

Now is the time for us all to be merry. Enjoy the Oregon, Douglas county berry. Oh what a big crowd these berries do draw. All the way from Eugene and the town of Umpqua. Many are the places these berries are grown. But none that can compare with those that are shown. At the Roseburg Carnival. On the 17th, 18th and 19th of May. The name of this berry you surely all know. If not, you will learn at the Strawberry show.

There's a little town named Roseburg. It's on the S. P. line. In the Douglas county, you know. Where the famous strawberries grow. So come one and all. To the Roseburg Strawberry carnival. The date we relate. In this sort of manner: Printed with Strawberries across this banner. May 17th, 18th and 19th.

Roses bright red; Skies deepest hue; Strawberries ripen In harmony, too. Wake, Strawberry blossoms, Up, Strawberry fruit; Our burg of gay roses Has gone on a toot. R-one—sweet flower of our shows, O'er us all, her perfume blows, S-trawberries, in gay repose, E-verywhere their charms disclose. H-erives bright and flower that glows. U-mpqua joyously bestows. R-oseburg, city of the roses, G-reet you gay in carnival clothes.

Oh! come where roses grow Oh! come where roses grow

Had Terrible Pains in Kidneys and Back.

Dear Mr. Editor—I want to write you about "Amric." I was very sick, could hardly be up. I was in bed most of the day. Had terrible pains in my kidneys and back, so much so that I had to crawl sometimes when I was sitting down and wanted to get up, the pain was so great. I had tried a well-known kidney medicine but it didn't help me. I heard of Dr. Pierce's Amric Tablets. I thought I would try them. I took only one box of the Tablets, and my back is now free from pain and I can work and take care of my family. I feel I cannot say enough for this medicine. Sincerely, Mrs. Wm. Kelleher.

NOTE: This "Amric" is adapted especially for kidney complaints and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine and urinary troubles. The physicians and specialists at Dr. Pierce's great Institution, at Buffalo, N. Y., have thoroughly tested this prescription and have been with one accord successful in eradicating these troubles, and in most cases absolutely curing the diseased kidneys. Patients having these troubles, "Amric" at Dr. Pierce's Invalids' Hotel, have repeatedly sent back for more. Such a demand has been created that Dr. Pierce has decided to put "Amric" in the drug stores of this country, in a ready-to-use form. If not obtainable send one dime by mail to Dr. Pierce for trial package or 50 cents for full treatment.

Dr. Pierce's Golden Medical Discovery is a blood cleanser and alterative that starts the liver and stomach into vigorous action. It thus assists the body to make rich, red blood, which feeds the heart, nerves, brain and organs of the body. You feel clean, strong and strenuous.

In Roseburg, right this way! Strawberries ripe and red! Strawberries ripe and red Are mixed with cream, they say At Carnival today. —A. H.

Strawberries ripe and red. Roseburg roses on display. The flag we love o'er head At the carnival today. —A. H.

Come and see the big strawberry. Now days it don't grow on the nose. The carnival will make you merry. And you may wear a "big red rose". —J. X.

They talk about the roses. And of the strawberries red. But methinks, it is the snowberries in May we'll see instead. They may sing of the highballs. And sing of the low balls. But we must puzzle out how. We may have strawberries and snowballs. —A Trio of Northerners.
