

Where will you find the equal of this car at its price?

Take the item of room. The new Mitchell Jr. five passenger light six is a car of 120-inch wheel base. This is five inches longer than most other light sixes. This extra wheel base is put into extra leg room in front and rear. It also enables us to make wider seats without disturbing the harmony of appearance.

LONG SPRINGS MAKE EASY RIDING.

Our long wheel base enables us to give you an extra long cantilever spring, 50 inch in the Mitchell Jr. and 52 inch in the seven-passenger Mitchell.

EXTRA DRIVING COMFORT.

The new Mitchell is the acme of easy driving. The gear shifting is accomplished with little effort. The change is made with but a movement of a few inches of the shifting lever. Our steering gear is full worm type and irreversible. Our steering knuckles are carried on ball bearings.

A REMARKABLE POWER PLANT.

In the Mitchell we are giving you an economical, efficient power plant. The Mitchell engine is an L-head engine with all parts enclosed and running in oil. The electric equipment is two unit type and gear driven.

UNUSUAL EQUIPMENT.

Mitchell cars are not only equipped with one-man top, clear vision windshield, but they carry reversible road lamps, power tire pumps and the like. The Mitchell is really completely equipped.

REGARDING PERFORMANCE.

This is our high card. If you wish to know how the Mitchell will pull, how slow it will idle on high gear, and how it will run on low gear, let us put it through its paces.

ECZEMA REMEDY

is the surest and most satisfactory. Sold only by us, 50c and \$1.00. W. F. CHAPMAN.

So long and earnestly I've wrought, Pursued the beastly grind, I've riddled on my dome of thought,

And spavins on my mind. The ghastly fear of evil times, Of poverty when old, Has kept me hunting after gold, I have a package put away, Where none can jar it loose, And sometimes at the close of day I wonder what's the use?

Throughout this weary worldly jaunt I've skimmed and saved and pared—I've done without the things I want, The things for which I cared, To add one round dollar more To what I have in brine, I've made existence sad and sore, And what reward is mine?

Why do I slave and toil and grind, Why do I toll and spin? I'll have to leave my roll behind, For others to blow in.

These words seem ever ringing loud, Like some decree of doom: "There is no pocket in a shroud, No cash box in a tomb."

The best cure for the above is an income policy with The Mutual Life of N. Y. No restrictions as to war. Come and let us reason together and see if I can't convince you that the participating plan is the safest and sure to make the net cost the lowest.
