TOURISTS ARRIVE IN ROSEBURG FROM SOUTH

After battling a sea of mud and riding on exceedingly "spongy" roads for the past week, Charles F. Armistead, driving a National car, arrived in this city last evening from Los Angeles and is registered at the Grand hotel.

Other tourists from the south also arrived here last night and continued their journey north early today. From all indications the roads in Douglas county are considered the worst of the entire route.

The 1917 Message to Ford Car Owners

GOODRICH 375 SIZE (31 X 3 3/4 INCHES) 375 BLACK SAFETY TREAD TIRES

HERE is the BIG NEWS of the YEAR for the owners of Ford Automobiles.

The B. F. Goodrich Rubber Company, having centered its 48 years' experience and knowledge directly on the problem of making the best tire for the Ford Automobile, has brought forth a tire that fulfills the special needs of the Ford Automobile, and doubles its virtues.

It is the tire for which Ford drivers have been waiting—a Ford car tire of HEROIC SIZE:

GOODRICH "Three-Seventy-Five"

This husky tire of Super-size and Super-strength lifts the Ford car to the sum-total of perfection.

Generous in rubber and fabric, it is a 31-inch by 3 3/4 inch tire, built with the regular five finger Black Safety Tread to fit 30-inch rims on a Ford car.

That extra inch on the circumference and full three-quarter inch in the cross-section are just what the Ford car tire needed.

Treat your car to longer life and yourself to more enjoyment of the car by asking your dealer for the Ford Car Tire of HEROIC SIZE: Goodrich's THREE-SEVENTY-FIVE.
