An Unexpected Proposal! We trust it will meet with your favor. We wish to serve you faithfully during the balance of your life—in the matter of washing for you. Will you say the word so we can send for this week's bundle? Friction causes trouble in married life, in machinery and in washing clothes. Friction means wear and tear; lines that should give years of service cannot withstand the strong arm and scrubboard process. THE RUB-A-DUB-SCRUB IN THE WASH TUB is fatal to the fabrics which cost you real money these days to replace. ROSEBURG STEAM LAUNDRY PHONE 79 OUR AUTO WILL CALL

Where will you find the equal of this car at its price? Take the item of room. The new Mitchell Jr. five passenger light six is a car of 130-inch wheel base. This is five inches longer than most other light sixes. This extra wheel base is put into extra leg room in front and rear. It also enables us to make wider seats without disturbing the harmony of appearance. FINISH FLEED BY HEAT. The Mitchell body is not only a double cowled pure steam line body of unquestioned beauty but was also added to its attractiveness by fitting the finish by heat in large ovens constructed for that purpose. LONG SPRINGS MAKE EASY RIDING. Our long wheel base enables us to give you an extra long cantilever spring, 50 inch in the Mitchell Jr. and 48 inch in the seven-passenger Mitchell. EXTRA DRIVING COMFORT. The new Mitchell is the same of easy driving. The gear shifting is accomplished with little effort. The change is made with but a movement of a few inches of the shifting lever. Our steering gear is full worm type and irreversible. Our steering knuckles are carried on ball bearings. A REMARKABLE POWER PLANT. In the Mitchell we are giving you an economical, efficient power plant. The Mitchell engine is an L-head engine with all parts enclosed and running in oil. The electric equipment is two unit type and gear driven. UNUSUAL EQUIPMENT. Mitchell cars are not only equipped with one-man top, clear vision windshield, but they carry reversible hood lamps, power windows, and other equipment. Mitchell is really completely equipped. REGARDING PERFORMANCE. This is our high card. If you wish to know how the Mitchell will pull, and how it will ride on high gear, and let us put it through its paces. J. F.
