War Bill in the Hands of President Wilson For Signature.

IN FORCE DURING WAR

Conscription Will Cease Four Months After War Closes—Honorary Breaks With Germany Secret Pact.

(By Associated Press.) WASHINGTON, May 18.—President Wilson's official approval is the one final step necessary to make the war army bill enforceable. The measure is now in the executive's hands, and he is expected to sign it immediately, and will then issue a proclamation for the date of registration of all men-eligible to service under the terms of the bill. After the war measure had been perfected in both houses, a joint resolution was adopted to put conscription out of force four months after the end of the war. Senator Smith, of Georgia, proposed the resolution, and it had the undivided support of those members who had approved conscription from the start, and of those senators who had striven unavailingly to confine conscription and the new army to the duration of the war instead of during the period of a existing emergency.

Honorary Breaks With Germany. WASHINGTON, May 18.—Following the lead taken by Guatemala, Honduras today broke diplomatic relations with Germany.

Entertained Secret Pact. PARIS, May 18.—Kaiser Wilhelm and the former Czar Nicholas are alleged here to have entered into a secret pact in 1905 against Paris, according to the latest issue of the Moscow Ruskoye Slovo to reach here. Count Wittem discovered the plot and refused to sign the Portsmouth treaty unless the pact was cancelled, and his action prevented the agreement from being carried to a conclusion.

Bridge Approach Undermined. VANCOUVER, Wash., May 18.—High water in the Columbia river has undermined one of the approaches to the new interstate bridge. The structure has settled so much that the fountain erected on the railing by the Daughters of the American Revolution has toppled over.

SAVED LIFE OF OLD MAN. Everett Hodges of the Wolf patrol of the Boys Scouts today won for himself a great deal of praise in saving the life of an aged gentleman who had stepped in front of the on-coming motorcycles in the races this afternoon. The old gentleman was evidently hard of hearing for he was advancing farther into the street when the machines were coming and he was sighted by Hodges, who raced to the scene and shoved him out of danger. The scout was very quick and accurate in action and showed very heady work.

E. L. Cooper and associated, of Pendleton, Ore., will re-open the Palace theatre on June 1, and plans are being formulated for making this playhouse one of the best in this part of the state. A new machine is to be installed in the projecting room and other important details added for the comfort of the patrons. The pictures will be of the best and the popular prices of ten and five cents will be charged for all high class feature films. A five-piece orchestra will be an attraction of tremendous merit and the services of excellent musicians in the northern part of the state have been procured. Mr. Cooper, one of the new owners, is a well known theatrical man, having owned and managed at different times the three leading theatres of Pendleton, the Alta, the Temple and the Crosby and he will no doubt make a success of his undertaking in this city.

STREETS WELL PATROLED. The streets of this city, were well patrolled today by the members of the fourth company and boy scouts, besides the numbers of carnival police that were on duty. Perfect order was maintained throughout the day and the whole day's program was a complete success.

SCHOOL CHILDREN PARADE. (Continued from page 1.) of red snuff and boys with rods of yellow and red roses followed, concluding the Benson school procession. The Jaz band, Roseburg's volunteer musical organization made its initial appearance and was warmly welcomed along the entire line of march. There were approximately 120 high school students marching. Following the band came the high school all of the pupils carrying carnival parasols and flags, the parade concluding with the war carrying a bevy of high school singers who will appear at the Antlers in vaudeville sketches tonight. Altogether it was one of the most beautiful and successful parades ever witnessed in Roseburg, a fact which hundreds of those grouped along the line of march expressed as they saw the many children marching before them.

REQUEST IS MADE. T. A. Raffety, in charge of the carnival police, today announced that on tomorrow morning no vehicles will be allowed on Cass street from Rose to Jackson and from there to Washington between the hours of 9:30 and 11:30. This request should be met by auto drivers.

CHURCH DINNER. Cafeteria dinner will be served at the Presbyterian church Saturday, beginning at 11:15 o'clock. Everybody welcome.

WINNERS OF MOTORCYCLE RACE. In one of the fastest motorcycle races ever held in this city, Hugh Harrison today won the speed contents that were held on Jackson street. He rode a Harley-Davidson machine and attained a high rate of speed. The streets were crowded with spectators who were highly pleased with the entertainment offered. The number of entries were so great that it was necessary to hold three elimination heats in order to arrange the finals. Those who competed in the finals were Hugh Harrison, Frank Poole, who won second place and Rollin Lobough, who attained third position. They all were speedy racers and furnished thrills galore for the crowds. The winner of the light weight race was Hugh Harrison on a light weight Harley-Davidson. Those who competed in these races deserve high commendation for the part they played and it was one of the carnival features.

EUGENICS CONTEST. A great deal of interest was displayed today in the eugenics contest which was held at the McCallen hotel, many entries having been listed with the chairman, Mrs. Dexter Rice. This feature, which has been only recently introduced into the program of the strawberry carnival is rapidly rounding into one of the most patronized and this year proved its worth. The committee was assisted in the examinations by Drs. Honck, Lehrbach, Seely, Finlay, and Shoemaker. Many high scores were made, but it will be some time before the winners can be announced.

ROYAL ASSEMBLY BANQUETED. The queen and her court ladies and their escorts were banqueted at a one o'clock dinner at the Unappu today. A nine course feast was enjoyed and the royal party presented a most attractive appearance in their robes of state.
