

Patriotism and Business

Every good citizen at this time should do his share toward strengthening the Federal Reserve Banking System which our Government has created with its billion dollars of resources to stand back of its member banks and all their depositors. You can contribute directly to the strength of this system, and at the same time secure its protection by depositing your money with us, since part of every dollar you deposit with us goes directly into the new system, where it is always ready for you when wanted.

This is a suggestion for prompt action.

The Douglas National Bank

Member Federal Reserve System.
CAPITAL AND SURPLUS \$130,000.

NERVOUS WOMEN!

It's The Same Everywhere In Oregon.

Portland, Oregon.—"I was for six months troubled with nervousness, and the doctor said I had consumption. Through the advice of a friend I took Dr. Pierce's Favorite Prescription and was completely cured. I am now in middle life and am in good health."

Mrs. G. W. MATTHEW, 1474 E. 5th St., N. Dr. Pierce's Favorite Prescription is and has been for nearly 50 years just the medicine that every woman needs when passing through the changing days. It is not a secret prescription, for its ingredients are printed on the wrapper; it's a temperance medicine. Not only does it build up the entire system and make it strong and vigorous enough to withstand the organic disturbances, but it has a quieting effect upon the feminine organism that reduces the distress to a minimum. For any womanly ailment, disease or complaint, no matter of how long standing, we advise anxious women to get Dr. Pierce's Favorite Prescription, in either liquid or tablet form.

THIS BOOK EXPLAINS.

If you will send three dimes or stamps to pay for wrapping and mailing and enclose this notice, Doctor Pierce of the Invalids' Hotel, Buffalo, N. Y., will send you a revised copy of his Common Sense Medical Adviser, in cloth binding, 1008 pages, with color plates. Just what you need in case of sickness or weakness. Treats of Physiology, Anatomy, Sex problems, Marriage relations, Hygiene, Exercise, Disease and its prevention.
